THE JESUS FILM PROJECT®

# Pray

- ✿ **Pray** for open doors to translate and record the *JESUS* film for people groups who still need to hear about Jesus.
- ✿ **Pray** for partnerships to be established with mission agencies and church denominations to reach these people groups with the gospel.
- ✿ **Pray** for the protection of those involved in recording the *JESUS* film and its related tools.
- ✿ **Pray** for creative strategies and tools that will help reach the younger generation with the gospel (i.e. an anim  adaptation of the *JESUS* film).
- ✿ **Pray** that many will come to know Jesus, grow in their walk with Him, and be trained to reach others.
- ✿ **Pray** for the protection of people on the field who show the *JESUS* film to share the gospel, disciple believers, and plant new churches.
- ✿ **Pray** for people to be willing to participate in mission trips to take the gospel to the unreached areas of the world.
