

Prayer Guide

July-December
2009

“A voice of one calling: ...prepare the way for the Lord, make straight in the wilderness a highway for our God.” (Isaiah 40:3, NIV)

Sunday: 30th Anniversary

Praise God for the millions who have come to Jesus as a result of watching the *JESUS* film since 1979. **Pray** for God’s continued provisions, (resources and personnel) so Jesus will be lifted up around the world.

Monday: Translations

Praise God for the more than 1055 completed translations of the *JESUS* film. **Pray** for the men and women in the studio who diligently work to complete the film by editing the voices and adding the music and other sound effects.

Tuesday: Partnerships

Praise God for churches and mission agencies that work together to help fulfill the Great Commission around the world. **Pray** that these partnerships will establish multiplying churches, especially among people groups who have no indigenous churches.

Wednesday: Resources

Praise God for the *JESUS* film resources like *The Story of Jesus for Children* and multi-language DVDs that help believers present Christ to their neighbors from other countries. **Pray** for the follow-up materials being developed for use with the film.

Thursday: Behind the Scenes

Praise God for technology that allows our staff in Orlando to interact with people worldwide. **Pray** for good communication with the international workers who are trying to find translators for the *JESUS* film script, voice actors to dub the language, and even studios to do the recording.

Friday: Mission Trips

Praise God for opportunities to minister overseas through mission outreaches. **Pray** for people to participate with The International School Project, JESUS Film Mission Trips, and CrossRoads teams – all ministries of The JESUS Film Project that provide opportunities to minister around the world.

Saturday: Personnel

Praise God for all who work with the JESUS film and its related ministries. These include people who work at the headquarters in Orlando and our film team members who show the film and disciple new believers around the world. **Pray** for the well-being of these staff members and for God to meet their needs.
