2020 Ministry Reports

Reaching Everyone, Everywhere ... Digitally

“A good friend of ours from our church, Jessa, who is Filipino, shared the ‘JESUS’ film last night via Zoom with her friend Kim (age 18). Kim is Vietnamese and was attending an English class at our church. Our small group had been praying for Kim for weeks. They watched the film in English! Jessa had been sharing with Kim all through the quarantine. And today, Kim received Christ! Jessa said that the movie was the last thing—the missing puzzle piece. She said that everything made sense when Kim heard Jesus speak and when she saw His life, death and resurrection on film. She said ‘God has really used the film in mighty ways!!!’ Praise the Lord for the ‘JESUS’ film!”

Television Broadcasts Proclaim the Gospel in Private Homes

“A boy from the Middle East watched the ‘JESUS’ film on satellite TV. Afterward, he contacted our follow-up team through WhatsApp® (a secure chat platform). He asked if he could become a follower of Christ even though his parents follow the dominant religion of the region. When asked what he knew about Jesus, the boy said he had just watched the story of Jesus on TV. He then said Jesus in the movie is the same person who has been appearing to him in his dreams since he was five years old! The boy said he wanted to follow Christ and make Him Lord! Through chat (for security) he prayed silently with the online counselor. The counselor continues to encourage the boy through the Word of God. He’s been taught how to pray and have a relationship with his heavenly Father and loving Lord!”

Reaching People Who Live in Spiritual Darkness

“During our outreaches and ‘JESUS’ film showings many people attended and were surprised ... Witch doctors preached that when people worship another god apart from their ancestor’s god, they will be cursed and die ... But after the ‘JESUS’ film events, people came to know that Jesus Christ died on behalf of their sins, which was something they had not been told before and they were so blessed.”

“The film was the talk of the communities. Many of the community people were amazed when they saw the film and the wonderful miracles done by our Lord Jesus Christ. Many of the people who were watching the ‘JESUS’ film confessed that they have never seen such thing before in their entire lifetime. The response was great...”

— Two team reports, New Covenant Missions

“My name will be great among the nations, from where the sun rises to where it sets. In every place incense and pure offerings will be brought to me, because my name will be great among the nations,” says the Lord Almighty.

—Malachi 1:11, New International Version.

2020 Ministry Statistics

How Your Generosity Is Reaching the World with the Gospel

During 2020, the year of COVID-19, God proclaimed His power through His Word, via “JESUS” seen and heard in 1,876 heart languages. You helped release His power as you prayed and as you gave. You sent hope and light to people in 229 countries. And your gifts equipped workers and partners with video projectors, portable backpack sets, microSD cards, USB sticks, video tablets and more. You helped broadcast the good news via television into 154 nations both open and closed. You livestreamed “JESUS” and other Christian films over the internet, to people locked-down by the virus, but more open to the gospel than ever. The latest research reveals that through many team showings, digital presentations and new strategies, a person says “yes” to Jesus each second—86,400 new believers every day! Traveling film teams have been supplemented with 21 new digital teams at work in 11 countries, sharing the gospel in 10 languages. This is the result of the many working as one, through prayer, service, sacrifice and giving. Thank you for all you have done.
