Partners Who Use the Tools You Send

Three ministry partners (of more than 1,800)—Global Assistance Partners, Love Counts Now, and South Asia Peoples Network—have teamed up in an alliance to go to some of the least accessible and least reached peoples in South Asia. Their work has been accelerated through “JESUS” film translations and projection tools you have provided. One of their field leaders wrote: “Over the last year, we’ve seen several hundred people come to Christ … What’s exciting is ‘JESUS’ is a tool to bring the gospel to cultures that are very remote, not only geographically but also culturally. As a Westerner, I could not get to some of these people {without this tool} … It’s been a joy and privilege to have the ‘JESUS’ film. We have 39 people groups where the film is being shown, and we’ve had results everywhere we’ve used it.” — Marvin

Television Broadcasts to Every Home

A large Christian television network in Asia is broadcasting 63 languages of “JESUS” on their satellite channel, cycling through 14 languages per month. A Jesus Film Project® staff leader met with their director a few months ago. He reported: “Their ministry programming generates over 140,000 ministry inquiries each month. Sixty percent of those are generated by ‘JESUS’ film showings. We are working with them on doing additional language translations for unreached people for a nation with more than 700 tribal languages. We are also hoping to secure broadcast agreements of ‘JESUS,’ ‘Magdalena’ and other films for Chad, Uganda, Zimbabwe, Spain, Estonia, Mauritius, Senegal, Ghana and Dominica in the West Indies.”

As more and more people are obtaining television sets and the means to watch online, the universe of people who can be reached through broadcasting and online streaming continues to expand.

Lives Transformed for Eternity

“Pastor Apollos, our leader in Nigeria, goes from village to village on his motorbike showing the ‘JESUS’ film … People are saying, ‘Jesus hears my language!’ Someone said, ‘I don’t know why this Jesus is so merciful. Look at what they were doing to Him and yet He said, “Father forgive them.” What kind of person is this? I would like to be like Him because forgiveness in this kind of situation would be so hard. I love Him so much.’”

“The third day we showed the ‘JESUS’ film, men from a radical religious group arrived to watch the film. We were afraid they planned to disrupt the showing. However, at the end of the film, one of these men came forward during the altar call! He wanted to give his heart and life to Christ. He asked Jesus to forgive him for his wrongdoings. He then asked us to pray for his protection from his family. A few days later, he testified that he has peace in his heart and in his family!” — Ministry partner report

The Apostle Paul wrote in 1 Corinthians 4:2, “Now it is required that those who have been given a trust must prove faithful” (New International Version). With more than 1,800 ministry partners who use “JESUS” to fulfill the Great Commission, keeping that trust with partners and you is greater still. Careful oversight is consistently applied to income and expenses. The entire process is open to anyone who asks. As you read this brief report, the results of your giving during 2019, join with us in giving thanks to Him Who alone deserves all glory.

“… I saw a vast crowd, too great to count, from every nation and tribe and people and language, standing in front of the throne and before the Lamb …”
