January - June 2022

January 2022 Issue

Monday: Relief Efforts

Around the world people are suffering as a result of political instability, natural disasters and the COVID-19 pandemic. Pray for open doors to share Jesus as partners provide essential aid and services to those in greatest need.

Tuesday: New Believers

On average, someone indicates a decision to follow Jesus every second. Pray that the new believers would grow strong in their faith and that we would develop more effective strategies to help them practically live out their faith.

Wednesday: Broadcasts

More and more TV and radio stations are contacting us to air the *JESUS* film and other gospel-centered media, especially for Easter. Partners like Trans World Radio and Reach Beyond are poised to proclaim the good news with us in strategic countries in South Asia and beyond. Ask God to use broadcasts and follow-up strategies to help people know and grow in Christ.

Thursday: New *JESUS* Language Versions

Praise God! He provided a way to virtually prepare scripts for new language versions when travel was impossible. As we, along with our recording partners, resume travel, pray for safety, health, and for more people to hear the good news in their heart language. Believe God with us to complete 50 new versions by July.

Friday: Training Believers

Christians everywhere are learning they have been called by God to share the hope they've received, and they are being trained to do it effectively. Ask God to use Jesus Film Project® resources to equip His people to boldly share Christ and plant churches.

Saturday: Unreached People Groups

Nearly 75% (3.6 billion) of all the world's unreached people live in 12 countries. These people have the least access to the gospel in their own language and hardly any thriving churches. Pray for the right strategies and resources to reach them, and pray for God to break down barriers to the gospel.

Sunday: New Partners

With an existing network of over 1,800 global partner ministries, there are still gaps where the least-reached people groups live. Ask God to connect us to new partners who are passionate about braving the frontiers of the world. Pray for all our partnerships to be fruitful and to be a testimony of unity in Christ's body.
