PHAMBILI:***THIXO, INGABA UNDIKHATHALELE NYANI NA?***

Ibhalwe ngu Sharon Jaynes

Ndiyathemba ukuba uye wakonwabela ukuxelwa kwakhona ngobomi nolungiselelo luka Yesu ngokujonga kwamehlo omfazi. Kodwa phambi kokuba siluncome nyani uthando olukhululayo uYesu alubonisayo kubafazi njengokuba wayehamba apha emhlabeni, kudingeka siqonde ukuba ubumnyama bungqonge ilizwe. Phambi kokuba singene ebumnyameni, kufuneka sikhumbule okuhle emva egadini yaseEdeni.

IBhayibhile isixelela ukuba, “*Ekuqalekeni uThixo wadala izulu nehlabathi*” (Genesis 1:1).

UThixo wathetha ngelizwi yabakho indalo kwiintsuku ezintandathu, qho emva kosuku ngalunye kwezintlanu zokuqala, xa ilanga litshona, uThixo wathi, “kulungile”. Amaxesha amathandathu xa egqiba kudala, wayebonakalisa ukuwuphumeza umsebenzi wezandla zakhe. Siqhubeka sisiva le ntetho njalo ke siqhawulwe ngesaquphe ngamazwi oMdali xa wayejonge indoda elilolo ingenamlingane uyifaneleyo. “Akulungile ukuba umntu abe yedwa” (IGenesis 2:18).

UThixo wamwisela ngobuthongo obukhulu uAdam, waze wakhupha imbambo enye apha kuye, wadala owaba ngamagqibelo kwindalo- umfazi.

UEfa yabangowona msebenzi mhle omangalisayo owenziwa nguThixo. Zange kucingwe ngaye nje kamva, kodwa waba sisidalwa esimangalisayo awasenzayo uThixo ekugqibeleni. Umfazi wabunjwa ukuze agqibelelekise umfanekiso wokuveza umfuziselo kaThixo. Indoda yayingenokwazi ukusebenza yodwa. Umfazi wayengenokwazi ukusebenza eyedwa. Bobabini babedingeka khona – ukuze basebenze, balungiselele futhi bahlale kunye ukuze bagqibelelise umfanekiso uThixo awayewulindele ngalo lonke ixesha.

UThixo wayiqoshelisa iveki yakhe yokudala kwabe sekuqukunjelwa ngalamagama: “Kwaba njalo wakubona uThixo konke akwenzileyo, nanko, kulungile kunene.” (IGenesis 1:31). Ekuvezweni komfazi, into eyayi “lungile,” ngoku ya “lunga kunene.”

Kwenzeka ntoni? Wasuka njani umfazi kwindawo ehloniphekileyo ngokulingana nomfanekiso oveza umfuziselo kaThixo eMyezweni waseEdeni ukuya kwindawo yesiqalekiso nentlupheko esiyibonileyo amawaka eminyaka? Kulungile masingawushiya uMyezo waseEdeni okwangoku.

Isahluko sesithathu seGenesis siqala ngegama eloyikisayo "Ke kaloku inyoka..." Usathana wanyebelezela wangena kuMyezo wase Edeni walinga uAdam noEfa ukuze bangamthobeli uThixo ngokutya kumthi wokwazi okulungilyo nokubi.

Bakholelwa kubuxoki bukaSathana endaweni yokukholelwa inyaniso kaThixo, abawuthobela umyalelo wakhe omnye, bangenisa isono, ukufa nokwahlukana noThixo emhlabeni. IBhayibhile isixelela ukuba ukususela kwelaxesha, wonke umntu uzelwe ehlukenene noThixo ngenxa yesono (**KwabaseRoma 5:12**).

Phambi kokuba umntu one, uThixo wathi ukuba umfazi uyakulawula neNdoda (**iGenesisi 1:28**). Esinye seziphumo zokuwa sesokuba ngoku umfazi uzakulawulwa yindoda (**iGenesisi 3:16**). Ukusukela kwelaxesha, ubuhlobo obunoxinzelelo phakathi komfazi nendoda bathatha indawo yolonwabo nobunye.

UThixo uyakuthanda ukuguqula izinto. Kwangelothuba uAdam noEfa betyile kwisiqhamo esingavumelekanga ukuba masityiwe, ithunzi lomnqamlezo laphakama phezu kwendawo eyayibonakalalisa icebo likaThixo lokuhlangula elaye lenziwa. Ngexesha umthi egadini yaseEdeni uzisa ukufa nesiqalekiso, umthi waseKhalivari wazisa ubomi nentsikelelo. UYesu weza ezokubuyisela ubuhlobo obabungekho phakathi komntu noThixo, ezisa ubomi obungunaphakade ezulwini, futhi wabuyisela ubomi obugqithisileyo emhlabeni. Kodwa kwakukho iiminyaka engamawaka eyayiphakathi kwamazwi kaThixo awayesolatha ukuza koMsindisi namazwi kaYesu emnqamlezweni, “Kugqityiwe.” Futhi ngelishwa, abafazi babecinezelwe, baxhatshazwa basetyenziswa nangayiphi na indlela engalunganga futhi engakholelekiyo.

Xa uYesu wayengena emhlabeni ngobobusuku babugcwele iinkwenkwezi eBhetelehem, ukukhala kwakhe kokuqala kwavakala kwizililo entliziyweni zabafazi ababesetyenziswa ngendlela engeyiyo bexhatshazwa amakhulu eminyaka. Ngexesha uYesu enyathela okokuqala kumhlaba onothuli waseGalili, abafazi babephila ubomi obukrakra. Babengavumelekanga ukuba bathethe namadoda esidlangalaleni, bangqine ezinkudleni okanye bazixube namadoda kwiindibano zasekuhlaleni. Abafazi babehlala ethunzini kwindawo ezifihlakeleyo ekuhlaleni kwakunqabile ukubabona ngamehlo okanye ukubeva bethetha.

Njengekhoboka, intombi yayiyinto katata wayo ekuhambeni kwexesha ibeyinto nje yomyeni wayo. Abafazi babengafundanga, benganconywa nganto futhi bengabalelwa ntweni. Babengavunyelwa ukuba batye kwindlu enye kunye namadoda, nokufundiswa iincwadi zomthetho okanye bangene kwigumbi elingaphakathi etempileni namadoda.

Abafazi babecalucalulwa ekuhlaleni nakubomi bezenkolo beengingqi zabo futhi babethathwa ngokuba zizidalwa ezijongeleke phantsi ezinjongo yazo yayikukuhlala ekhayeni nokonwabisa ngokwezesondo. Umthandazo owawuqhelekile wendoda engumYuda njengokuba yayivuka imihla ngemihla wawusithi, “Ndiyabulela Thixo ngokuba ndingenguye owentlanga, ndingelokhoboka futhi ndingengomfazi.”

Kodwa uYesu weza wayitshintsha yonke lo nto. Weza ezokubuyisela eyona njongo necebo lakhe ngamadoda nabafazi elasithelayo futhi laphazanyiswa kuMyezo waseEden (**1 KaYohane 3:8**). Inxalenye yokubuyiselwa yaquka ukubuyiselwa

kwabafazi kweyona ndawo yabo ebabeyonwabela phambi kokuwa. UYesu wahamba kwindawo ebonakalayo ukuze abone umfanekiso owawufihlwe kwindawo esethunzini etshixwayo eyayinesitshixo ongumfazi wakhaba amacango avuleka gangalala ngenyaniso.

Kulula ukuthi kuleminyaka ingapha kwamawaka amabini sifundayo uYesu enxulumana nabafazi njengento eqhelekileyo, kodwa wayengumceli mngeni ngokupheleleyo. Wayethetha noomama ekuhleni, ebafundisa ngokuthe gabalala, watya nabo ngokukhululekileyo futhi ebaphatha ngentlonipho enkulu. Kwindawo enesithethe esasigcina abafazi bevaleleke endlini bengaviwa bengabonwa nokubonwa, uYesu wabatsala wabakhupha emfihlakalweni, wababeka phambili futhi wakhanyisa embindini wabo ngokhanyiso lothando lwakhe lobuThixo ebiza ubomi babo. Njengokuba ukuphila kweTestamente eNtsha kuvela, abafazi bazalisa iqonga bedlala indima ephambili bevakalisa umboniso omangalisayo wokuhlangula uvuleleka.

UThixo wakhetha uMariya, uMama kaYesu, ukuqala ulungiselelo lwemiqondiso emtshatweni eKana njengokuba wayeguqula amanzi abeyiwayini (**uYohane 2:1-12**). Wakhulula umntu ebelahliwe ekuhlaleni, uMariya waseMagadala, kumadimoni wammema yena nabanye abafazi ukuba bazibandakanye kunye naye kwiqela lolungiselelo lakhe. (**uMarko 16:9**). Eyona ncoko kaYesu eyakhe yande eshicelelweyo kwiTestamente eNtsha wayekunye nomfazi ongumSamariya-umSamariyakazi awayedibene naye ngasemthonjeni. Kwakukulomfazi kanye apho uYesu watyhila ukuba ungubani kanye-kanye ngenene ezityhila njengoMesiya ekwakuthenjiswa ngaye. UYesu wamzalisa lomfazi owayenxaniwe ngamanzi aphilileyo futhi wambukela esiya esixekweni esiba ngomnye wabafazi bokuqala ukuba ngumvangeli.

UYesu wolulela isandla sakhe kwabo bangachukunyiswayo. Wafikelela ekuphiliseni umfazi owayenethombo legazi iminyaka elishumi elinambini (**uLuka 8:43-48**) futhi wavusa intombazana eneminyaka elishumi elinambini ekufeni (**uMarko 5: 35-43**). Wabiza umfazi owayenobulwelwe ehamba kumathunzi asekuhlaleni futhi wambeka embindini weqonga njengokuba wayesolula umqolo wakhe owawugobile wamkhulula ukuze azukise uThixo (**uLuka 13:10-17**). UYesu wancoma isipho esincinci somhlokokazi wasigqhamisa njengesona singumzekelo sokunikela kokuncama ngenene (**uMarko 12: 38-44**). Waxolela umfazi owayebanjwe ekrexeza wamnika inkululeko ukuze aqale kutsha (**uYohane 8:1-30**).

UYesu wamemela uMariya waseBhethani egumbini lokufundisa lamadoda ukuze enze intetho ecacileyo ngesenzo sakhe sokuba ngoku yayilixesha labafazi ukuba bafunde ngezwi likaThixo (**uLuka 10:38-42**). Ngentsasa yokuvuka kukaYesu, Wakhetha ukuzibonakalisa kwakhe okokuqala kuMariya waseMagadala, kwaye wambiza ukuze angqine kubafundi ukuba uvukile ekufeni (**uYohane 20:11-18**).

UYesu waphilisa abafazi ngokwasemoyeni, enyameni, engqondweni nakwimvakalelo. Wababonisa intlonipho nokuxabiseka okomntwana kaThixo. UYesu wathatha izitshixo zenyaniso wakhulula amatyathanga ukuze akhulule

abafazi kwingcinezelo eyayibabophile ibatshixele kude ekoneni yomngxunya wasekuhlaleni. Ndineqhayiya kakhulu ngabobafazi abamkela isimemo sika Yesu sokuba baphume ekuzimeleni. Babengabathunywa abatshintshwe zizithethe bamamela kubizo lukaThixo ngaphezulu kwamazwi engcinezelo yezithethe.

Njengokuba ucinga ngokuqhagamshelana kukaYesu nabafazi eBhayibhileni, ungaphulukani nommangaliso futhi nokoyikeka kwamazwi akhe angqongqo atshintsha ubomi. Hlala ecaleni komlambo nomfazi womSamariya elindele isithuko nokulahlwa, kodwa wafumana ukwamkeleka nothando. Yima nomfazi owayebanjwe ekrexeza, owayelindele ukugwetywa nokufa, kodwa wafumana uxolelo nobomi obutsha. Fikelela nomfazi owayesopha wamchukumisa emqokumbelweni wengubo yakhe emfihlakalweni, kodwa waphila kuphela wafumana ukwaziwa esidlangalaleni. Phakama ekwaphukeni noMariya waseMagadala futhi ubaleke ngenjongo yokuvakalisa ummangaliso wokuvuka kukaYesu.

Njengokuba ucinga ngomfazi ngamnye uYesu awamtshintshayo, ndiyathandaza ukuba ubhale igama lakho kulomboniso futhi ubenamava ngaye kunakuqala. Unexabiso kuThixo. Igama lakho libhaliwe entendeni yesandla Sakhe.

UBUSAZI?

Kwintetho UGqira Larry Crabb, umphicothi ngqondo ongumKrestu owaziwayo, umbhali nesithethi sathi, “Into eyoyikisayo kwiintliziyo zabafazi kukungabonakali.” Ingaba uyavumelana noko?

Ngoba kutheni uvumelana okanye ngoba kutheni ungavumelani?

Elinye lamagama ka Thixo aseBhayibhileni ngu El Roi, elithetha ukuthi “UnguThixo obonayo.”

EQHUBEKAYO

Nokuba ukweliphi inqanaba eluhambeni lwakho, uxabisekile kuThixo. Ngaphambi kokuba akudale, wakubona wakwazi.

UThixo uyakubona:

“Ngokuba wena wazibumba izintso zam, Wandibiyela esizalweni sikama. Ndiyabulela kuwe ngenxa enokuba ndenziwe ngokoyikekayo, ngokubalulekileyo; Zibalulekile izenzo zakho, umphefumlo wam uyazi kakuhle. Ayengagushekile kuwe amathambo am. Mna ndenzelwayo entsithelweni, ndalukwa ndiyimfakamfele ezinzulwini zomhlaba. Amehlo akho andibona ndiseyimbumba, Zazibhalwe encwadini yakho iimini zonke ziphela; Ziyiliwe ngenxa engaphambili, kungekabikho nanye kuzo. Ke kum zinjani na ukunqaba izicamango zakho, Thixo. Asingangani isimbuku sazo! Zingathi, ndizibalile, zibe ninzi ngaphezu kwentlabathi; Ndakuvuka ndoba ndisenawe.”
(**Iindumiso 139:13-18**)

- Yintoni eshukumisa intliziyo yakho xa usiva lamazwi?

Phambi kokuba ndizalwe uThixo wayendazi.

- Ingaba kunzima ukukholelwa ukuba uThixo wakudala ngalendlela uyiyo? Kutheni uvumelana okanye kutheni ungavumelani?

Ngamanye amaxesha andiziva ndibalulekile.

Bendingazi ukuba IBhayibhile ithi ndadalwa.

EBhayibhileni, KwabaseKolose 1:15-16 ithi:

“Ungumfanekiso kaThixo ongenakubonwa, owamazibulo kwindalo yonke. Ngokuba zadalelwa kuye zonke izinto, ezisemazulwini nezisemhlabeni, ezinokubonwa, nokuba zitrone, nokuba zibubukhosi, nokuba zizilawuli, nokuba ngamagunya; zonke izinto zidalwe nguye, zidalwele yena.”

XELA

Umceli mngeni: Mhlawumbi ufana noRivka mhlawumbi awuqondi ukuba uThixo uyakwazi okanye uyakubona. Ekupheleni komboniso bhanya-bhanya, uRivka wakhetha ukukholelwa ukuba uThixo ngenene uyamthanda kwaye wabeka ukholo lwakhe kuYesu. Ngomthandazo nje olula, onjengalo ulandelayo, nawe ungakhetha ukukholelwa ukuba uYesu wakudala, uyakubona, uyakwazi, kwaye uyakuthanda. Wena! Ungamxelela namhlanje ukuba uyakholwa?

*Thixo, Bawo wethu ozezumalwini, UNgcwele kwaye ulilungisa.

Umboniso bhanya-bhanya - Isahluko 12: Umfazi owayebanjwe ekrexeza oxolelweyo

Into emayiqwalaselwe yinkokheli: Ekupheleni kwesisifundo, kuzakudingeka unike umntu ngamnye kwiqela lakho iphetshana nepen okanye ipensile.

YAZI

EBhayibhileni, uYohane 8:1-11 ithi:

“UYesu ke yena waya eNtabeni yemiNquma. Uthe ngesifingo wabuya wafika etempileni; baye bonke abantu besiza kuye; wahlala phantsi wabafundisa. Ababhali nabaFarisi bazisa ke kuye umfazi obanjwe ekrexeza; baza bemmise phakathi, bathi kuye, ‘Mfundisi, lo mfazi wabanjwa ekrexeza, kanye kuloo ntlondi. Ke kaloku

emthethweni uMoses wasimisela ukuthi abanjalo mabagityiselwe ngamatye, uthini na ke wena?’ Babesitsho ke bemhenda ukuze babe nokummangalela;”

“kodwa uYesu ethobe phantsi, wabhala ngomnwe emhlabeni. Uthe ke bakumana bembuza, waphakama, wathi kubo ‘Ongenasono kuni makaqale amgibisele ngelitye.’ Wabuya wathoba phantsi, wabhala emhlabeni.”

“Bathe ke bona bakuva, besohlwaywa naluvalo lwabo. Baphuma ngabanye, beqalela kwabakhulu, kwada kwaba kwabokugqibela. Wasala yedwa uYesu waye umfazi emi phakathi. Ephakamile ke uYesu, akabona mntu kwakuphela ngumfazi lowo. Wathi kuye, ‘Mfazindini, baphi na abo bamangaleli bakho? Akukho ukugwebileyo na?’”

“Wathi ke yena, noko namnye, Nkosi.”

“Wathi ke uYesu kuye, ‘Nam andikugwebi; hamba ungabuyi wone.’”

UBUSAZI?

Ngexesha lika Yesu, ukukrexeza yayisesona sono sikhulu kwaSirayeli.

Ababhali nabaFarisi babesazi i**Levitikus 20:10**, ”Indoda esukuba ikrexeze umfazi wommelwane wakhe, wobulawa afe umkrexezi lowo, kwanomkrexezikazi.”

Ucinga ukuba lo mfazi wayesokoliswa yintoni?

Wayejonga emadodeni okanye kwabanye efuna ukwamkeleka, ukuze akwazi ukuzimela, inkanuko, ubulolo/isithukuthezi, wayezinikele esilingweni, ejongwe njengomlahlelwa phandle.

Wayephi umlingane wakhe? Ingaba lento isixelela ntoni ngabamangali bakhe?

Wayengekho! Ukuba ababhali nabaFarisi babekhathazeke ngenene “ngumthetho kaMoses” ngebabeqinisekisile ukuba umlingane walo mfazi ukhona naye ekumangalelweni.

Ingaba ucinga waziva njani akubanjwa atsalwe asiwe esidlangalaleni?

Waziva esoyika ukugityiselwa ngamatye ade afe, ihlazo, iintloni, eyedwa, engxabisekanga.

Ungaziva njani xa isenzo esingalunganga osenzileyo sityhilwa elubala?

Kuyafana naxa senze ngokunxamnye nomthetho, into evisa ubuhlungu omnye umntu okanye into evisa uThixo ubuhlungu, ezo zinto uzithatha kalukhuni azibize ngokuba sisono. Isono kukuhamba ngokwethu ukuqonda, iingcinga ezizezethu,

sisenza ukufuna kwethu ngaphezu kokufuna kukaThixo. Isono sibandakanya uhlobo lobumna okanye izenzo zam okanye zonke.

Inqanaba likaThixo eBhayibhileni lisibonisa intliziyo kaThixo, xa sithi siqhankqalaze senze ngokwemfuno zethu, siye siphulukane nokulungileyo uThixo asibekele kona, kwaye simvise ubuhlungu.

- ❑ Ingaba uThixo waphendula njani kule meko yalo mfazi kwaye wambonelela njani kwimeko yakhe?

Wamsindisa ekufeni okubuhlungu.

Wema endaweni yomfazi kubabhali nabaFarisi.

Wamnceda ukuze abamangaleli bakhe babone ezabo izono.

Wammela kwisimangalo wamxolela.

Wabuyisela isidima sakhe wamnika injongo entsha ebomini.

- ❑ Ingaba kutheni impendulo kaYesu yayithetha lukhulu kuye?

Wamnika ubomi.

Wamenza waxabiseka wabonakalisa ukuba ungumniki wexabiso.

- ❑ Ingaba lo mfazi kwakukho nto ekwakufuneka eyenzile ukuze axolelwe?

Hayi, nguThixo oxolelayo kubo bonke abacelayo. Umfazi wafumana uxolelo.

Bohluke kanjalo ke ubuhlobo noThixo kunokuba ube ngumkhonzi nje. Inkolo ithi yenza okulungileyo ukuze wamkeleke, uthandwe kwaye uxolelwe. Ubuhlobo bethu kuThixo abuxhomekekanga misebenzini ngoba sesamkelekile, kwaye sithandiwe, futhi sixolelwe.

EQHUBEKAYO

UKUPHILA NOKUFA ngamagama abalulekileyo eBhayibhileni. IBhayibhile ithetha ngobomi ngokoMoya ngokufa nangobomi basenyameni nobokufa.

uYohane 17:3 ithetha ngobomi ngokoMoya: “Bubo ke obu bomi obungunaphakade, ukuba mabakwazi, wena ukuphela koThixo oyinyaniso, naye uYesu Kristu omthumileyo.”

Ezi vesi zilandelayo zithetha ngokufa ngokoMoya.

KwabaseKolose 2:13-14 ithi:

“Nani, nifile nje ziziphoso nakukungaluki kwenyama yenu, unidlise ubomi ndawonye naye, enixolele zonke iziphoso. Ewucimile umbhalo wesandla owalana nathi, owawumelene nathi ngayo imimiselo, uwususile ke kanye, ngokuwubhethela emnqamlezweni.”

- Ngokwezivesi, kwenzeka ntoni ngamatyala esasigwetyelwe wona?

UThixo wawacima.

UThixo wawabethelela emnqamlezweni kunye noYesu.

Asisaphili ngaphantsi “komthetho kaMoses” oxelwa yivesi engentla, ngoko ke siphila ngezithethe namasiko esiphila kunye nazo. Singabafazi siphila phantsi koxinzelelo olunzima lokufuna ukwenza kakuhle. Xa singakwazi sizama kangangoka ukuzama ukugquma ukungagqibeleli kwethu.

UThixo uyasixelela **kwabaseRoma 8:1**: “Ngoko ke, ngoku akukho kugwetywa kwabakuKristu Yesu.”

- Ngokuya ngale vesi, yintoni eyinyaniso ngabo “bakuKristu Yesu?”

Abagwetywanga.

- Singakwazi njani ukuba asigwetywanga sitshintshe indlela esizobona ngayo?

Singaqalisa ukukholelwa yindlela esinexabiso ngayo kuKrestu.

Singatsho singcamle inkululeko.

- Ngokwalemeko singabonisa kanjani indlela esinokuthi sibaphathe ngayo abanye?

Bafanelwe yimpatho ekwafana naleyo uKrestu wasolulela yona - yokungagwetywa.

Xa uYesu wayethetha nalo mfazi wayebanjwe esona, wamxolela kodwa wamxelela ukuba ahambe angabuye one. Wamxelela ukuze abambe umntu omtsha okhululekileyo kwaye oxolelweyo. Kwangalondlela sixolelwe ngalo nkululeko kukhona uxanduva nokwazi ukuthi ungubani. Lento ke ayithethi ukuba asizusilela kwakhona, kodwa ibeka umkhomba ndlela ebomini bethu.

1 KaYohane 1 :9-10 uthi:

“Ukuba sithi sizivume izono zethu, uthembekile, ulilungisa ukuba asixolele izono zethu, asihlambulule kuko konke ukungalungisi. Ukuba sithi asonanga, simenza ixoki, ilizwi lakhe alikho kuthi.”

- Xa sisilela, ingaba silungisa njani kuThixo kwakhona?

Ngokuthi sihlambulule izono, sicele nokuxolelwa.

XELA

Umceli-mngeni: Ukuhlambulula kuthetha ukuthi siyavumelana noThixo ngeengcinga zethu ezingalunganga, nangezenzo zethu ezingahlambulukanga. Siyavumelana Naye ukuba azilunganga, sicele intetholelo kwaye samkele ukuba sele sixolelwe nguThixo ngenxa kaKristu owasifelayo emnqamlezweni.

Into emayiqwalaselwe yinkokheli: Nika umntu ngamnye iphetshana nepeni kwi qela lakho.

Masenze intlambululo ibe yinto eyenzekayo:

1. Dwelisa uluhlu lwezono zonke owakha wazenza kwiphetshana wandule ke ukuzitshisa. Olu luhlu ke luphakathi kwakho no Thixo, kufuneka unyaniseke ngokugqibeleleyo. Ngokuzolileyo mcele uThixo akuncede ukuze uzibone zonke izinto ebomini bakho ezingamkholisiyo. Bhala phantsi yonke into uThixo ayibeka engqondweni yakho. Njengoko ubhala nganye nganye, zihlambulule kuThixo. Khumbula uThixo oluthando onako ukuxolela - Wanikela ngoNyana wakhe esenzela wena!
2. Emva kokuba ugqibile ukubhala uluhlu, bhala amazwi ka **1 KaYohane 1:9** anqumleze uluhlu olo lwakho, amazwi athi: “Ukuba sithi sizivume izono zethu, [uThixo] uthembekile, ulilungisa, ukuba asixolele izono zethu, asihlamubulule kuko konke ukungalungisi.”
3. Xa ugqibile ukuthandaza nokuhlambulula mbulele uThixo ngokukuxolela ngokholo, utshabalalise uluhlu lwezono ubonise ukuxolelwa nguThixo athe wakuxolela ngako ngokuthi ukrazule, uwacole okanye uwatshise ukuze ubonise indlela egqibeleleyo uThixo athe wakuxolela ngayo.

Ngena nzulu: Siphi isono sakho (uluhlu lwesono) ngoku?
Asikho okanye sitshabalele.

Ukuxolelwa kuzisa inkululeko etyaleni!

Iindumiso 103:12 uthi:

“Kunjengokuba kude kwempumalanga entshonalanga, ukulukhwelelisa kwakhe kuthi ukrege lwethu;”

KumaHebhere 10:17 uthi:

“Izono zabo nokuchasa umthetho kwabo ndingabi sakukhumbula.”

Kuleveki cela uThixo atyhile isono sakho njengoko sisenzeka. Hlambulula kuThixo ucele uxolelo kwaye umbulele ngokukwamkela.

Umboniso bhanya-bhanya- Isahluko 3: Ukuzalwa kukaYesu

YAZI

ULuka 1:26-38 uthi:

“Ke kaloku ngenyanga yesithandathu, Isithunywa esinguGabriyeli sathunyelwa nguThixo emzini welaseGalili, ogama liyiNazarete, kwintombi, eganelwe indoda egama linguYosefu, yendlu kaDavide. laye igama lentombi leyo linguMariya. Sangena isithunywa kuye, sathi, ‘Vuya wena ubabalweyo! INkosi inawe; usikelelwe wena phakathi kwabafazi.’”

“Uthe ke akusibona wee qhiphu umbilini ngenxa yelizwi laso; wayecamanga ukuba ungaba mbuliso mni na lo. Sathi ke isithunywa kuye ‘Musa ukoyika Mariya kuba ubabalwe nguThixo. Uyabona, uyakuthabatha esizalweni uzale unyana umthiye igama elinguYESU. Yena uya kuba mkhulu abizwe ngokuba nguNyana

wOsenyangweni. INkosi uThixo iya kumnika itrone kaDavide uyise abe ngukumkani phezu kwendlu kaYakobi kude kube ngunaphakade nobukumkani bakhe bungabi nasiphelo.”

“Wathi ke,’ uMariya kuso isithunywa, ‘Kuya kubakho njani oku ndingazani nandoda nje?’”

“Saphendula isithunywa sathi kuye, ‘UMoya oyiNgcwele uya kuza phezu kwakho athi namandla Osenyangweni akusibekela; kungoko loo nto ingcwele izalwa iya kubizwa ngokuba nguNyana kaThixo. Uyabona uElizabethhe, ozalana nawe naye naye umithe unyana ebudaleni bakhe, lowo bekuthwa ngongazaliyo yinyanga yesithandathu kuye, lowo bekuthiwa ngongazaliyo; ngokuba akukho nanye into eya kumnqabela yena uThixo.”

“Wathi ke uMariya, ‘Nanko umkhonzazana weNkosi makwenzeke kum ngokwelizwi lakho.’ Saza isithunywa semka kuye.”

UMariya wayesenza umsebenzi wakhe wemihla ngemihla xa isithunywa esinguGabriyeli sifika kuye simxelela ukuba uzakuba nomntwana. Siyayazi into yokuba akunakwenzeka ukuba ubenomntwana ngaphandle kokudibana nendoda. Xa uMariya wayebuzela lombuzo kuGabriyeli, impendulo yakhe yathi, *“Kuba akukho nanye into enokumohlula uThixo.”* Wacacisa kuMariya ukuba ukuze lento yenzeke, *“UMoya oyiNgcwele uzakuza phezu kwakho athi namandla Osenyangweni akusikelele.”*

- ❑ Ingaba zinto zini ezazicingwa nguMariya, ingaba waziva njani akuva umyalezo kaGabriyeli?
Wamangaliswa, wabhideka esoyika waziva exakiwe kwaye engohloniphekileyo
- ❑ Nangona uMariya wayecinga kwaye eziva ngendlela ezininzi, yathini impendulo yakhe?
Wayezibuza ukuthi iyakwenzeka njani lento kodwa wayemthembile uThixo. Wayenomnqweno wokuba amvumele uThixo afezekise injongo Yakhe.
- ❑ Ingaba wena ngewaphendula njani?
*Ndandizakubuza ucinga ntoni ngenjongo esele ndinayo ngobomi bam?
UYosefu yena wacinga njani?
Abantu bona ngokubanzi bacinga ntoni ngokukhulelwa ungatshatanga?*

UBUSAZI?

UMariya wayesele engejiwe nguYosefu, ngokwemvelo yabo wayethenjise ngokungathi sele etshatile. Nangona uMariya wayehlala nabakubo wayesele ethathwa njengenkosi kaYosefu. Ukuba wakrokrelwa njengongathembekanga, uYosefu wayenelungelo lokuba amnikele ukuba abulawe njengo mfazi owayebanjwe ekrexeza okanye anyanzelwe ayishiye lo dolophu elusizini nangempoxeko. Ngoko ke ukukhulelwa kukaMariya yayiyinto enkulu kubo bobabini.

Ukukhetha ukuba athembeke kwabonakalisa ukhoho ingakumbi kwiimeko awayejongene nazo.

EQHUBEKAYO

Ngomzuzu nje omnye ubomi bukaMariya batshintsha ngenxa yokuba uThixo wakhetha yena ukuze athwale umsebenzi ongenakwenzeka ngokwemo yobuntu. Kodwa njengokuba isithunywa uGabriyeli sathi, *“Akukho nto imnqabeleyo uThixo.”* Akukho namnye apha kuthi ongacelwa ukuba makakhulelwe unyana kaThixo njengoMariya. Kodwa ke, uThixo uyasicela ukuba senze into ekunzima ukuyenza-ukulandela uYesu ngokuthemba imihla ngemihla.

Kukho mntu owakhe wathi ubomi bobuKrestu abukho nzima; abunakwenzeka.

Ezi vesi zilandelayo zibonisa ukuba akunakwenzeka ukuba uphile ubomi bobuKrestu ngaphandle koncedo loMoya oyiNgewele.

UMateyu 16:24 uthi: *“Wandula wathi uYesu kubafundi bakhe ,ukuba kukho othanda ukundilandela, makazincame ngokwakhe awuthwale umnqamlezo wakhe andilandele.”*

EkaYakobi 1:26 uthi: *“Ukuba ubani kuni uthi ungonqulayo, abe engalubambi ngomkhala ulwimi lwakhe, elukuhla intliziyo yakhe, unqulo lwalowo alunto yanto.”*

UMateyu 5:48 uthi: *“Ngoko yibani ngabafezekileyo, njengokuba uYihlo osemazulwini efezekile.”*

Ngokwezivesi, kufanele ukuba sihlale kanjani?

Zincame.

Yiba nolawulo ngawo wonke amazwi owathethayo kwabanye abantu.

Yibani ngabafezekileyo ngoba uThixo ufezekile.

UThixo usibonelele ngoMoya oyiNgcwele ukuze ahlale ngaphakathi kwethu ukuze asinike amandla esiwadingayo njengabalandeli bakaKrestu. Nangona uMoya oyiNgcwele ehlala kubo bonke abantu abamkele uYesu ebomini babo, asizaliswanga nguMoya oyiNgcwele de simvumele asikhokele futhi asinike abandla. Siyazikhethela ukuba masizaliswe (sikhokelwe futhi sinikezwe amandla) nguMoya oyiNgcwele imihla ngemihla, nditsho nomzuzu nomzuzu. Ngumahluko lo phakathi komntu wakwaMoya nophila ngokwenyama.

IBhayibhile isinike umyalelo ukuze sigcwalise nguMoya oyiNgcwele.

Kwabase-Efese 5:18 ithi:

“Kanjalo musani ukunxila yiwayini, ekukhoyo kuloo nto ukuzibhubhisa; manizaliswe nguMoya.”

Siyazi ukuba ukuzaliswa nguMoya oyiNgcwele yinjongo kaThixo kuthi ngoba Yena wasiyalela. Sinesithembiso sikaThixo ku **1 KaYohane 5: 14-15** esithi:

“Kuko oku ukungafihlisi esinako kuye; ukuba sithi sicele into ngokokuthanda kwakhe, uyasiva. Ukuba siyazi okokuba uyasiva esisukuba sikucela, siyazi ukuba sinazo izinto ezicelwayo, esizicelileyo kuye.”

THETHA NGAKUMBI

Ukuphefumla ngokoMoya kunamandla okusinceda umzuzu nomzuzu sixhomekeke kuMoya oyiNgcwele. Njengoko siphefumla ngaphandle umoya ongolileyo siphefumle ngaphakathi umoya olungileyo sinako ukuqalisa ukuphefumla ngokoMoya.

Phefumlela ngaphandle: Vuma izono zakho ngalamzuzu uqalise ukuziqonda-vumelana noThixo ukuba wonile kwaye umbulele ngoxolelo.

Phefumelela ngaphakathi: Nikela ulawulo lobomi bakho kuKrestu uxhomekeke kuMoya oyiNgcwele ukuthi akugcwalise ngobuKho bakhe namandla okholo.

Njengoko uMariya waphendula ngokholo ethembele kuThixo kwimeko awayekuyo, sifanele ukuphendula ngokholo sithembe uThixo ukuze siphile ubomi bobuKrestu.

Nabafazi abathile ababephiliswe koomoya abangendawo nasebulwelweni, uMariya ekuthiwa ngowaseMagadala, ekwakuphume kuye iidemon zosixhenxe, noYohana umfazi kaKuza, igosa likaHerode noSusana, nabanye abaninzi; bona babemlungiselela ngeempahla zabo.”

- Ucinga ukuba ubomi bukaMariya waseMagadala babunjani phambi kokuba ahlangane noYesu?

Wayebonakala eligeza, emdaka, engafunwa, engekho lulawulweni.

Ubomi bakhe yayingebubo obakhe, wayelawulwa ziidemon.

INGABA UBUSAZI?

Ngeza ntsuku, ukuba kufutshane kumntu okhe wangenwa kwaye walawulwa ngumoya ongcilileyo bekungabangela ukuba ungahlambuluki, ungabisakwazi ukuya eTempileni okanye ukwazi ukuzibandakanya nabanye abahlali ude uqondwe ukuba uhlambulukile kwakhona.

KwiTestamente endala uThixo wabeka imithetho emininzi ukuze amaYuda alandele yona. Wanika imithetho eyahlula ukuhlambuluka nokungahlambuluki komntu. Xa umntu engahlambulukanga yayithetha ukuba lomntu makangazibandakanyi nabanye abantu nakuThixo. Kwakufuneka elindile ukuze ahlambuluke kwakhona phambi kokuba abe nobudlelwane noThixo kunye nabanye.

- Kumboniso bhanya-bhanya, ingaba waphendula njani uYesu kuMariya waseMagadala ekubeni engahlambulukanga naye?

Wasondela kuye, wamchukumisa kwaye wambiza ukuba uyintomi kaAbraham.

UYeremiya 32:17 uthi:

uMarko 5:25-34 uthi:

“Intokazi ethile, eyayinethombo legazi iminyaka elishumi elinambini, eyayive ubunzima obuninzi kumagqirha amaninzi, eyayityelwa konke eyayinako ingancendeki kwaphela imana ukuba mandundu: Yathi yakuwa ngaye uYesu, yeza phakathi kwesihlele ngasemva, yayichukumisa ingubo yakhe; kuba yayisithi kuba ibisithi ‘ukuba ndithe ndachukumisa neengubo zakhe ezi ndosindiswa.’ Watsho kwangoko umthombo wegazi wayo wayeka; yeza emzimbeni wayo ukuba iphilisiwe kweso sibetho.”

“UYesu, uthe kwaoko waqaphela ukuba amandla angaphakathi kwakhe aphumile kuye. Wajika esesidlangaleni wathi ‘ngubani na ochukumise iingubo zam?’ ”

“Bathi kuye abafundi bakhe ‘Ubona nje ukuba isihlwele sikuxinile’, utsho na ukuthi ‘Ngubani ondichukumisileyo?’”

Abafundi abaninzi beBhayibhile bayavumelana ukuba elithombe legazi lingapheliyo lalinento yokwenza nokuya exesheni. Ngokomthetho weTestamente endala umfazi onethombe legazi kwakungavumelekanga ukuba aye ebukhweni bukaThixo okanye achukumiswe ngumntu ongomnye umYuda. EQHUBEKAYO

Ukuhlaziywa komntu kungathatha ixesha. Emva kokulinda iminyaka elishumi elinesibini echitha imali imini yafika xa wadibana noYesu wazukisa uThixo ngenxa yempiliso nangenxa yempendulo kukholo lwakhe. NguThixo owongamele zonke izinto kwaye unexesha azenza ngalo. Nokuba sinokholo njengalo mfazi, usiphendula ngeendlela ezahlukeneyo, okanye ngamaxesha ohlukeneyo singalindelanga. Kubalulekile kuthi ukwamkela intando Yakhe nokuba ithini impendulo.

KumaHebhere 4:15-16 ithi:

“Kuba asinambingeleli mkhulu ungenako ukuvelana nezilwelwe zethu, ke, sinowayehendwayo ngeento zonke ngokokufana nathi engenasono. Masisondlele ke ngoko sinokungafihlisi kuyo itrone yobabalo, ukuze samkeliswe inceba, sifumane ubabalo lokuzisa ngexesha elililo.”

- ❑ Ingaba uYesu usiphendula njani xa sithi siye kuYe?
Ngokusiqonda nangovelwano olungasifanelanga.

La mfazi wafumana kuYesu kanye okona ebekunqwenela - impilo ngokwasenyameni. Ayingabo bonke abafumana abakunqwenelayo. uPawulos wasenzela umzekelo ngamava wakhe **2 kwabaseKorinte: 12: 7-10** athi: *“Kwathi ukuze ndingaziphakamisi ngokungaphezulu ngenxa yezityhilelo eziyincamisa, ndanikwa iviko enyameni, isithunywa sikaSathana, ukuze sindintlithe. Ndayibongoza kathathu iNkosi ngaso isithunywa eso ukuba sisuke kum. Ithe yona kum ‘Ubabalo lwam lukwanele kuba amandla am azalisekiswa ekuswelekeni kwamandla.’ Ngoko kokukhona sendiya kuqhayisa kamnandi kakhulu ngokuswela kwam amandla, ukuze ahlale phezu kwam amandla kaKristu. Kungoko ndikholisweyo kukuswela amandla, kukuphathwa kakubi ziingxakeko, ziintshutshiso, ubunzima ngexa kaKristu kuxa sukuba ndiswele amandla kuxa ndinamandla.”*

UThixo akazange amphilise uPawulos xa wayecela, ngoko ke wanyanzeleka axhomekeke emandleni kaThixo phakathi kobuthathaka bakhe. UThixo akasoloko eziphilisa iingxaki zethu zasenyameni kodwa uye asinike amandla okuthwala ingxaki leyo.

EKaYakobi 1: 2-4 uthi:

“Kubaleleni ekuthini, kuluvuyo olukhulu bazalwana bam, xa nithe nagaxeleka ezilingweni ngezilingo, nisazi nje ukuba ucikido lokholo lwenu lusebenza umonde. Umonde ke mawube nomsebenzi ozalisekileyo ukuze nibe ngabazalisekileyo abagqibeleleyo ningaswele nto.”

- Ngokwale vesi zithini ezinye izizathu uThixo anokuzikhetha ukusihlaziya okanye ukuphendula imithandazo ngale ndlela silindela ngayo?

Ufuna ukukhulisa ukholo lwethu.

Ufuna ukuba sibe ngabakhulileyo ngokupheleleyo.

Ufuna sixhomekeke kuye hayi eziqwini zethu.

XELA

2 KwabaseKorinte 1:3-5 ithi:

“Makabongwe uThixo, uYise weNkosi yethu uYesu Kristu, uSozimfefe uThixo onako konke ukuthuzela, osithuzelayo kuyo yonke imbandezelo yethu, ukuze sibe nako ukubathuzela abakwinto yonke eyimbandezelo ngayo intuthuzelo esithuzelwa ngayo nathi nguye uThixo. Njengokuba iintlungu zikaKristu ziphuphumela kuthi ngokunjalo ithi nentuthuzelo yethu iphuphume ngoKristu.”

Thina maKrestu, asisuswa ebunzimeni. UYesu usinceda ukuze ubunzima obo bube ngamabali kwaye zisikhuthaze nabanye abasenokuba basebunzimeni. Inkuthazo nempiliso uThixo asinika yona ayibonwa njengento elungele thina kuphela. Sizukisa uThixo futhi simnika udumo xa sisabelana nabanye ngento uThixo asenzele yona.

Umceli mngeni: Ukuba uThixo angahlaziya kwisithilana ohlala kuso jonga ithuba kule veki lokuba wabe ibali lakho kunye nomntu ocinga ukuba udinga inkuthazo.

Ngena nzulu: Bhala iindawo apha ebomini bakho ocinga zifuna ukuhlaziywa. Kusenokuba kusenyamani, ubuhlobo, kusemoyeni. Zinikele eNkosini futhi ukholelwe ukuba uzakuhlaziyela zona.

Ukuba ngaba kukhona indawo engekahlaziywa ngendlela onqwenela ngayo, yise kuThixo. Ubulele kuye ngokholo ngayo nayiphi na impendulo. Imo yokubulela kuThixo ibonakalisa ukholo. Musa ukuyeka ukuthemba uThixo nokulunga kwakhe. UnguThixo olungileyo kwaye uyakuthanda!

Khumbula ukuba kubuninzi bethu sine neengxaki ezinzulu. Lento iyakuthetha ukuba sifune inkokheli ibe ngumhlobo othembakeleyo abe ngumfundisi okanye umcebisi. Musa ukoyika ukufuna uncedo ukuze uhlaziyeke ngokupheleleyo. Cela uThixo akuncede ufumane umntu ogqibeleleyo.

YABA

Ingaba uThixo ukukhuthaze njani kule veki kwimo yobomi bakho efuna ukuhlaziyeka?

BUKELA

Bukela umboniso bhanya-bhanya - Isahluko 7: UMFAZI EMTHONJENI

YAZI

UYohane 4:7,9-26,28-30,39-40 uthi:

“Uthe ke ngoko uYesu nabafundi bakhe besuka eJudiya besingise eGalili, ebulalekile kukuhamba wahlala kufutshane komthombo owenziwa nguYakobi.”

“Kufika intokazi yelamaSamariya isiza kukha amanzi athi uYesu kuyo Ndiphe ndisele. (Kuba abafundi bakhe bebemke baya kuthenga ukudla emzini apho)

“Ithi ke ngoko intokazi engumSamariyakazi kuye “uthini na wena ungumYuda nje ukucela kum into eselwayo ndingumSamariyakazi nje?” (Kuba akanabudlelwane amaYuda namaSamariya.)

“Waphendula uYesu wathi kuyo ‘Ukuba ubusazi isipho sikaThixo, nokuba ngubani na lo uthi kuwe: Ndiphe ndisele unge ucele kuye wen, a wakupha amanzi aphilileyo.’

“Ithi intokazi kuye ‘Nkosi akunanto yakukha nequla linzulu uwazuza phi na ke amanzi aphilileyo lawo? Wena umkhulu yini na kunobawo wethu uYakobi owasinikayo iqula eli wayesela kulo nabantwana bakhe nemfuyo yakhe?’

“Waphendula uYesu wathi kuyo, ‘Bonke abasela kula manzi baya kubuya banxanwe keyena othe wasela kuwo amanzi endiya kumphona wona mna, akasayi kuza anxanwe naphakade. Ayakusuka amanzi wona abe ngumthombo kuye wamanzi ampompozela ebomini obungunaphakade.’

“Ithi intokazi kuye ‘Nkosi ndiphe loo manzi ukuze ndinganxanwa, ndingezi nokuza kukha apha.’

“Athi uYesu kuyo ‘Hamba uye kubiza indonda yakho ize apha.’

“Yaphendula intokazi yathi ‘Andinandoda.’ ”

“Athi uYesu kuyo ‘Ulungisile ukuthi andinandoda.’ Inyani yeyokuba, ubunamadoda amahlanu onayo ngoku asiyondoda yakho unyanisile ukutsho.’

“Ithi intokazi kuye ‘Nkosi ndiyabona ukuba ungumprofeti wena. Oobawo bethu babenqula kule ntaba nina ke nithi iYerusalem indawo apho abantu bamelwe kukunqula khona .’ ”

“Athi uYesu kuyo ‘Ntokazindini kholwa ndim ukuba kuza ilixa eningasayi kuthi nakule ntaba naseYerusalem nimnqule uBawo. Nina ninqula eningakwaziyo thina sinqula esikwaziyo ngokuba usindiso luphuma kumaYuda. Kodwa kuza ilixa, nangoku selikho, xa abanquli abayinyaniso baya kumnqula ubawo ngoMoya nangenyaniso; kuba uBawo ufuna abanjalo ukumnqula . UThixo unguMoya; abo ke bamnqulayo bamelwe kukumnqula ngoMoya nagenyaniso.’ ”

“Ithi intokazi kuye ‘Ndiyazi ukuba uMesiya uyeza ekuthiwa nguKristu, xa athe weza yena, uya kusityela izinto zonke.’ ”

“Athi uYesu kuyo ‘Mna ndithethayo nawe ndinguye.’ ”

“Kwathi kwangoko bafika abafundi bakhe, bamangaliswa kukuba athethe nomntu oyinkazana; noko ke akubangakho namnye owathi, ‘Ufuna ntoni na?’ okanye, ‘yini na ukuba uthethe nayo?’ ”

“Yawushiya ngoko umphanda wayo intokazi yemka yaya ekhaya, ‘Ithi ebantwini Yizani nibone umntu ondixelele izinto zonke endakha ndazenza lo akangebi nguye uKristu yini na?’ Baphuma ke ekhaya baye besiza kuye.”

“Ke kaloku kwakholwa kuye into eninzi yamaSamariya kuloo mzi ngenxa yelizwi lentokazi leyo yangqinayo yathi ‘Undityelele izinto zonke endakha ndazenza’ Akufika ngoko kuye amaSamariya amcela ukuba ahlale nawo. Wahlala khona ke imihla emibini. Into eninzi yakholwa ngakumbi ngenxa yelizwi lakhe.”

“Kanjalo babesithi kwintokazi leyo, ‘Asisakholwa ngenxa yokuthetha kwakho, kuba sizivele thina ngokwethu, sazi ukuba, inyaniso, lo unguye uMsindisi wehlabathi uKristu.”

Lithini ibali lale ntokazi?

UmSamariya (isizwe esixubeneyo)

Utshate izihlandlo ezihlanu. Akatshatanga kodwa ngoku uhlala nendoda.

Uqinisekile, ukrelekrele, mhlawumbi unomtsalane emadodeni.

UBUSAZI NA?

Yayingamkelekanga ukuba indoda nomfazi bohlanga olwahlukeneyo bathethe ePalestina kudala.

Kwakukhona ukungavani phakathi kwamaYuda namaSamariya ngela xesha njengokuba amaSamariya aye luhlanga oluxubeneyo. Lo mfazi wabuza, “ucela njani kum amanzi ndingumSamariyakazi?” KumaYuda ngelo xesha igama elithi Samariya belifana negama elithi “inja.” AmaYuda ebehamba imigama emide engafuni ukuhamba agqithe okanye adibane namaSamariya.

Into yokuba le ntokazi ize kukha amanzi emthonjeni emini isixelela nto ngayo. Kungokuba abantu babesele besithi ungumlahlwa ngenxa yesimo sakhe esibi kwaye wayesele engafunwa ekuhlaleni.

Le ntokazi yayingalindelanga ukuba uYesu angathetha nayo ade acele namanzi.

UYesu wayiqala ngokwakhe intetho kunye nale ntokazi. Lento isicacisela ntoni na ngoYesu?

uYesu usamkela ngaphandle kwemo esiyiyo, ubuhlanga okanye imo yomtshato.

Ucinga ukuba yintoni eyabangela uYesu abuze le ntokazi ngendoda yakhe?

Wayefuna yazi ukuba wazi yonke into ngayo nokuba unguThixo.

Wayengadingi ukuphiliswa ngokwasenyameni, wayenezinye iimfuno.

UYesu wathetha ngokucacileyo malunga nebali lakudala lale ntokazi nemeko ahlala kuyo ngoku. Ayikho into eyayifihlakele. Wakuqonda ukwaphuka nentlungu awayenayo ebomini bakhe. Akazange amchase. Wabanemfesane wambonisa indlela eya ebomini ayiyo yena Yesu.

- ❑ Yayizizalisekisa njani na le ntokazi iimfuno zayo?
Ngokubalekela kwindoda nendoda, ukuzalisekisa lo mfuno eyayinokuzalisekiswa nguThixo yedwa.
- ❑ Zeziphi iindlela esithi sizame ukuzalisekisa iimfuno zethu namhlanje?
Ukuchitha ixesha lethu kwizinto ezingenguye uThixo, umzekelo: ukutya, ubuhlobo, ukuba nezinto, ikamva, inkangeleko kunye nolonwabo.
- ❑ Wathi uYesu uyakuzifezekisa njani iimfuno zakhe? Inggamene njani le nto nathi?
Ungamanzi okuphila, Yena okwaziyo ukonelisa iimfuno ezinzulu. Wanika intokazi emthonjeni usindiso, uxolelo, nokoneliseka.

EQHUBEKAYO

Abantu abakholelwa ngenyaniso kuYesu baqalisa ukubona utshintsho kubo, izimvo nobume babo butshintse. Babe “ngabantu abatsha.”

2 KwabaseKorinte 5:17 ithi:

“Ngoko ke, ukuba ubani ukuKristu usisidalwa esitsha; zonke izinto ezindala zidlule; bonani zisuke zaba ntsha izinto zonke zakhe.”

UmSamariyakazi kwangoko waya kuxelela abanye kwidolophana yakhe ebonisa ukuba ukholiwe kuYesu kwaye uzelwe ngokutsha.

Zintathu izinto ezenzekayo ngenxa yentetho umSamariyakazi wayenayo kunye noYesu. Izolo lakhe alizange likwazi ukumahlukanisa noThixo. Abantu kwindawo awayehlala kuyo bazana noYesu ngenxa yakhe. Abalandeli bakaYesu bawela umda wobuhlanga.

KumaGalati 3:28 ithi:

“Akusekho mYuda, namGrike; akusekho khoboka nakhululekileyo; akukho ndoda nankazana; kuba nonke nimntu mnye, nikuKristu Yesu.”

UYohane 7:37-39 uthi:

“Ke kaloku, ngomhla wokugqibela, ongowona mkhulu womthendeleko, wema uYesu, wadanduluka esithi, ukuba kukho othi anxanwe makeze kum asele. Lowo ukholwayo kum njengoko satshoyo isibhalo kuya kumpompoza imilambo yamanzi aphilileyo iphuma embilinini wakhe. Oku wakutsho ke ngaye uMoya abebeza kumamkeliswa abo bakholwayo kuye; kuba ebengekamkelwa uMoya oyiNgcwele ngokuba uYesu ebengekazukiswa.”

- Ithetha ntoni ukuthi kuya kumpompoza amanzi kuthi?

UYesu ungamanzi okuphila ampompozela thina xa sikhohwayo asinike ubomi obungunaphakade.

Ngawo amandla kaMoya oyiNgcwele osisiqu sikaYesu umpompozela thina.

KumaGalati 5: 22-23 ithi:

“Ke sona esoMoya isiqhamo luthando, uvuyo, uxolo, ukuzeka kade umsindo, ububel,e ukulunga intembeko, ubulali, ukuzeyisa, akukho mthetho uchasene nezinto ezinjalo.”

Xa sivumela uMoya oyiNgcwele alawule ubomi bethu siqalisa ukubona utshintsho kuthi kwaye abanye babona isiqhamo ebomini bethu.

XELA

- Loluphi uhlobo lomntu uYesu athi lifunwa nguYise? (Jonga iphepha ekuqaleni kwesisicatshulwa.)

Abanquli benyaniso(Baninzi abanquli ehlabathini kodwa uThixo ufuna abanquli abayinyaniso, abo banobudlelwane naye.)

Abamnqula ngoMoya nangenyaniso.

Noxa singayazi ukuba ngobani abayakuphendula, njengomSamariyakazi, kufuneka sixebele abanye ngento uThixo asenzele yona.

UYohane 4:39 uthi:

“Ke kaloku, kwakhohwa kuye into eninzi yamaSamariya kuloo mzi ngenxa yelizwi lentokazi leyo yangqinayo yathi ‘Undityele izinto zonke endakha ndazenza.’ ”

Umlahlelwa ngaphandle womfazi waba liqhawekazi kuloo dolophana. UYesu wamxolela umfazi wamsebenzisa ukuba abize abanye kulo mzi beze kuThixo.

Umceli mngeni: Ngubani ebomini bakho ocinga ukuba usafuna ukwazi ngezinto uThixo akwenzele zona? Xelela abanye kwangale ndlela ukuze babe ngabanquli benyaniso. Dwelisa abantu uqalise ukuthandaza ukuze xa bathe beva ngoYesu baze kuYesu njengoko yenzayo intokazi yomSamariyakazi.

Uvuyiswano lweveki ezayo luzakuba nexesha lokwabelana. Imibuzo elandelayo ingakunika umkhomba ndlela ekucingeni kwakho.

- Ingaba indlela ocinga ngayo ngoYesu iye yatshintsha emveni kwesi sifundo? Ukuba kunjalo, kwenzeke kanjani?
- Yeyiphi indawo ebomini bakho ofuna itshintshe ngenxa yesisifundo?
- Uyesu ubuchukumise njani ubomi bakho ngoku ufunda esi sifundo ngaye?

Ukuzikhethele: Yabelana ngebali lesine kwiAphendiks B.

**ISIFUNDO 8:
UYESU, ISIHLOBO SANAPHAKADE
Masibhiyoze!**

Lixesha lokuba sonwabe ngento uThixo ayenzileyo ngexesha lesisifundo! Siza kuzonwabisa!

Ngubani ocinga ukuba uyakuzuza ngokubukela u*Magdalena: Released From Shame*, akugqiba abelane ngeBhayibhile? Masenze uluhlu lwabo bantu ngoku. Khumbula indlela ukubukela lo mboniso okuyivule ngayo intliziyo yakho kuThixo. Kha ucinge xa inokuvula intliziyo yomhlobo wakho.

Qaphela nkokheli: Ngalo mbhiyozo wena njenge nkokheli funa ukuyenza ngokukhethekileyo (ngemihombiso, ukutya okukhethekileyo, izipho ezincinane, sitshintshe le ndawo besikuyo nantoni enokuyenza ibe yekhethekileyo) Ingqiqo yeyokonwabela ixesha ebesikunye nokwenziwe nguThixo ngexesha ebesisonke. Ngezantsi ngamacebiso. Zive ukhululekile ukwenza utshintsho apho kuyimfuneko.

1. Vula ngomthandazo, ubulele kuThixo ngezi veki zisixhenxe zesifundo.
2. Chitha ixesha nibhiyoza ngokutya nonwabile kwaye ninobudlelwane (kangangemizuzu eyi-30.)

3. Xa ixesha lisihla nika imizuzu eyi-30 ixesha lokwabelana ngemibuzo ekupheleni kwesifundo 7.
4. Ukuba alikho itsha ntliziyo elifuna ukuqala, inkokheli kufuneka izilungiselele ukwaba ngokufutshane kumbuzo omnye.
5. Chithani ixesha kunye ngomthandazo iqela lonke libulele kuThixo ngento yonke ayenzileyo ebomini benu. Nifake nezicelo zemithandazo iqela elo elinazo.
6. Apha ngezantsi “sisifundo” sokukhuthaza amakhosikazi kwiqela elo abanokuthi bazidlulise kwabanye ngalento bayifundileyo. Injongo kukubanceda ze bathathe inyathelo lokholo babelane ngalo mboniso nabanye okanye bakhokele amaqela angawabo. Baxelele into ethethwa zezizifundo nendlela okhule ngayo ngenxa yokukhokela bona.

Usalikhumbula ibali lomSamariyakazi emthonjeni? Washukunyiswa watshintshwa nguYesu waza wabaleka ukuya kuloo dolophana exelela abantu ngoYesu, ngenxa yalento, baninzi abantu abakholwayo kuloo dolophana ngenxa yobungqina bakhe.

KuMateyu 28:19-20 uYesu wanika uMthetho oMkhulu kubafundi bakhe, “Hambani ngoko niyekuzenza abafundi iintlanga, nibabhaptizela egameni likaYise, loNyana, loMoya oyiNgcwele nibafundise ukuba bazigcine zonke izinto endiwisele umthetho ngazo.”

Lo ke ngumyalelo nomceli mngeni wethu namhlanje njengabalandeli bakaKristu! Ngubani ocinga ukuba uyakuzuzisa ngokubukela u *Magdalena: Released from Shame*, akhe abelane kwisifundo seBhayibhile? Masenze uluhlu labo bantu ngoku. Khumbulu indlela ukubukela lo mboniso okuyivule ngayo intliziyo yakho kuThixo. Khawucinge xa inokuvula intliziyo yomhlobo wakho. Khawucinge indlela esinokubabonisa ngayo lomboniso aba kuluhlu lwamagama esiwadwelisileyo. Bangafuna iboniswe emakhaya. Cingani nimise nomhla eningabonisa ngayo nokuthi ningancedana kanjani. Masibone ukuba uThixo uzakwenza ntoni na ngathi.

7. Vala ngomthandazo.

UKUDIBA IZIGINGQI

Kuzo zonke iindlela athi amaqela amancinane azihambe kukhona imiceli mngeni eba khona. Kukhona umbuzo ongungqondongqondo: “Yintoni ubudlelwane phakathi komthetho womntu noBukhulu bukaThixo?” Okanye uhlangana nomntu ongayekiyo ukuthetha omaziyo, kodwa uyazi ukuba kufuneka afumane umoya kwakamsinya (kodwa hayi ngokukhawuleza kuwe). Okanye umntu wenze intetho ngemfuza, “Esithi iBhayibhile ayichasene ngesondo ungekatshati xa umntu umthanda.”

Ukungqubana kwingxoxo kwamaqela amancinane kungadala ububi. Uyakumangala ingaba kutheni ukhethe ukukhokela eliqela. Iinkokheli ziyasokola xa kuvela imibuzo engalindelekanga ngoba kunzima xa ungazilungiselelanga kwezinye imeko.

Esi sahluko siyakuthi sivavanye ezinye ingxaki eziqhelekileyo ezithi zivele kwiqela elincinane. Kusenokuba sele uhlangene nezinye ngaphambili, ukuba akunjalo, uzakuhlangana nazo kwixesha elizayo.

IINGXAKI EZILISHUMI EZIKWIZINGA ELIPHEZULU KWIINGXOXO

I. Xa Kuthulekile

“Iqela lam lithula cwaka emva kokuba ndibuze umbuzo. Ingathi bafungile ukuba bazakuthula bathi cwaka.”

Ukuba umbuzo ubulungile, phola, abantu badinga ixesha lokuba bacinge. Emva kovavanyo uzakuqalisa ukulazi iqela lakho uyakufumana kulula ukohlula xabethule becinga okanye bethule bengawuqondanga umbuzo lowo uyakube ubuzwa. Ukuba awuqondi ukuba yintoni, buza, “Ingaba umbuzo lo uyavakala na?”

Ukuba umbuzo ubungaqondakali okanye kukhona abakuphosileyo, phinda ubuze umbuzo kwakhona. Masithi umzekelo, ubuza ukuba, “Ngubani onengxaki yokuxolela?” kwaye iqela lithe cwaka. Awuqinisekanga ukuba bayacinga, okanye bayoyika, okanye abawuqondanga umbuzo. Ungalandelisa ngomnye umbuzo othi, “Ngubani onesingqala ngakuye? Ingaba ukhona ofuna ukwabelana ngomzekelo?” Khumbula ukusebenzisa imibuzo evulekileyo, engenakuphendulwa ngo “Ewe” okanye u “Hayi.” U “Ewe” okanye u “Hayi” uzakuvala amathuba okuba kuxoxwe ngokuvulekileyo.

Nantoni na oyenzayo musa ukuvala inzolo ngokushumayela. Kulungile, kwaye kubalukile ukuba wabelane ngencoko kwaye ube semngciphekweni, kuchase ukuthetha ugcwalise nje inzolo. Ezinye inzolo zibalulekile ukuthi zivumele ukuba kucingwe ngombuzo. Ukuba uyakhawulezisa ukuthetha, abantu bazakube bemamele wena bengacingi ngeempendulo zabo.

Bakhuthaze ngokuzibonakalisa kumzimba wakho. Xa ubajonga mabakhuthazeke. Ncuma. Phola. Yoyamela kufutshane nomntu othethayo xa umamele. Nqwala intloko xa umamele.

Bakhuthaze ngokuthetha nabo xa ubaphendula: Baqinisekise xa umntu ethetha ngempendulo engagwebiyo usithi, “Enkosi ngegalelo lakho.” Ncoma impendulo ezizizo ngempendulo ethi, “Igalelo eligqibeleleyo” okanye “Yingcinga elungileyo.” Dlulisa ukwamkeleka. Ungagwebi. Bonisa uvuyo xa abantu bevelisa iingcinga ezintsha, chaza indlela ova ngayo okanye buza umbuzo.

Biza umntu obonakala enento afuna ukuyikuthetha.

2. Impendulo Engalunganga

“Ingxaki enkulu kuxa umntu enika impendulo engeyiyo. Ndivela ndihlale ngoncumo oluphazamisekileyo ndakugqiba ndingazi ukuba ndithi, ‘Uh...Err...Umm.’”

Sebenzisa ubulumko. Jonga ukuba impendulo ngenene ayisiyiyo okanye yinto yokuba iingcinga azifani nezi zakho.

Yiba nenceba kwaye uzinonophele. Ungavumeli ukuphathwa ngabo.

Wujike umbuzo ubuze omnye umntu okanye uwujongise kwiqela lonke. Thetha into enjengale, “Ingaba kukhona umntu onenye into eyahlukileyo angayongeza?”

Lijongise iqela kwisicatshulwa esigqithileyo sebenzisa imibuzo ekhokelayo ukuze bakwazi ukufumana inyaniso kuyo.

Ukuba ngaba yimpendulo eyahlukileyo, itsho into enje ngale: “Yingcinga enika umdla leyo. Ufikelele njani kulongcabango?” Bakhokelele enyanisweni ngokuthobeka.

Qaphela: Ngamanye amaxesha kuyinto elungileyo ukuba unikezele ngempendulo xa iqela elo lingenako ukucacisa: “Ndiyaqonda ukuba kutheni ucinge kanjalo, kodwa....”

Umzekelo, ukuba umntu uthi iBhayibhile igcwele zimpazamo awukwazi ukuba ugqithele kumbuzo olandelayo kwakamsinya.

Sebenzisa ubulumko ekucingeni ukuba zeziphi impazamo ongathetha ngazo kwiqela elo. Kulungile ukungathethi ngezinye iingxoxo kwiqela. Umzekelo: “UThixo unceda ozincedayo.” ingalungiswa liqela. Ngaphezulu, kungakuhle ukuba kuxoxwe ngale ngxubaxaka ngumntu wonke kwiqela elo.

Ngoko ke, lumkela intetha efana nale: “IBhayibhile ayichasanga abantu abathandana ngesini esifanayo.” Abafundi bacinga ukuba uDavide wayelitalase.” Impendulo efanelekileyo iyakuthi: “Sesiphi isahluko okhe wasifunda eBhayibhileni ngobutalase? (lindela inzolo) Andifuni ukuthetha ngesi sihloko ngoku, kodwa ndicinga ukuba ufunda esi sahluko ngokwakho uyakugqiba ngokwahlukileyo. Ndinazo inkcukacha endingeza nazo kuwe.” Dibana nalomntu nobabini qha.

Suzifaka impendulo ezingezizo xa ushwankathela.

3. Isiphithikezo Esiphazamisayo

“Kwiveki zonke xa sixoxa kwiqela iziphazamiso zisoloko zivela. Kuyenzeka ukuba ifoni ikhale, omnye aphakamise intloko yakhe okanye umntu wonke ufuna ukuphuma kwamsinyane baleqa ukubukela inkqubo kumabonakude.”

Cela lomntu ohlala apho nihlangana khona ukuba umashini uthathe imiyalezo kwimfonomfono, okanye ikhutshwe imfonomfono embaneni.

Ukuba ayiphumeleli, hlanganelani kwindawo apho kungekho ziphazamiso.

Ukuba iqela lisoloko liphazamiseka ngamaxesha okudibana, phinda ulivavanye ixesha layo.

Qaphela: Ukuba ufuna ukulitshintsha ixesha leqela, yenza njalo. Kodwa musa ukwenza oko rhoqo, ngoba kukho umntu onento esuke yavela. Kwakamsinyane akekho oyakuthi alazi ixesha lokudibana, kwaye wonke umntu uyakufuna iqela elo lishukumele bona.

Nokuba iziphazamisi zingangakanani na musa ukungabi namonde. Ukuba uthe wanomsindo uyakubangela iqela elo live ubunzima ude kuphembeleleke.

Ukuba kufanelekile, beka isalathiso ecangweni. Cinga ngencubeko. Okanye umzekelo ungathi, “Ngexesha LeBible Study....hlala ngaphandle.” ayisiyonto ofuna ukuyithetha. Thetha into efana nale “Sine Bible Study ukusuka ngo 7-8PM. Singavuyela ukuba uzibandakanye nathi,” ingasebenza ngcono.

4. Umbuzo Onzima

“Ngenye imini omnye wamanenekazi uye wandibuza ukuba ngaba uKrestu uza kubuya phambi kwengcinezelo enkulu. Ndiyifundile incwadi yesiTyhilelo kodwa andingomfundi weBhayibhile.”

Vuma ukuba awunayo impendulo elungileyo, kodwa baxebele uzakuyijonga. Cela umntu osele ekhulile ngokwasenkoleni, njengomfundisi wakho okanye umcebisi wakho, ukuba ingaba bangayazi na impendulo okanye ingaba banazo izixhobo apho umntu angazifundela kuzo ukuzama ukujonga impendulo. Babuze ukuba kutheni befuna ukwazi. Subeka ixesha lakho ufuna impendulo ukuba abanamdla wokwazi.

Isengaba yinto enkulu kubo ukuba benze uphando baphinde babuyele kwiqela. Bayakufunda lukhulu ukuba bayalifumana ixesha lokuba bazifundele ngokwabo. Kungafuneka benikwe izixhobo zokuba bakwazi ukuqalisa.

5. Iqela Linengxaki Yokugqibezela Isifundo

“Bonke abafazi kwiqela lam banexesha elimnandi kwenza oko ndingakwazi ukusigqibezela isifundo.”

Lonto ke inokwenziwa zizizathu ezibalekayo. Esokuqala, isenokuba amalungu eqela ayathanda ukuthetha nokudlala kanaanjalo, kunzima ukufunda okanye ababini eqeleni banento eninzi yokuthetha ngombuzo ngamnye yenze ke lonto ungakwazi ukufikelela kubo bonke.

Ukuba ngaba ingxaki bayathanda ukuthetha ixesha elide ekuqaleni kwengxoxo: Misa umkhomba ndlela kwasekuqaleni. Thatha amathuba ulicebe ixesha enizakudibana ngalo nonke nabelane, nidlale kwaye nazane. Cacisa ukuba eyona njongo yokudibana rhoqo ngeveki kukuba nibe nexesha nifunda ngoThixo naseLizwini Lakhe. Ukuba baye bathabatheka ngentetho ngoko ke ungathi kubo, “Kulungile, lixesha lokuba sibuyele ekufundeni ngoThixo nase Lizwini Lakhe, ngoko ke masibuyele kwisifundo.”

Lumkela imidlalwana ukuba ngaba yinto eqhele ukwenziwa liqela. Bagcine beshukuma okanye behamba-hamba ungabavumeli bachithe ixesha elininzi, ngaphandle kokuba ubusele ucebe ukuyinika ixesha elininzi.

Ukuba ngaba ingxaki bathanda ukuthetha ixesha elide ekuqaleni kwengxoxo: Misa umkhomba ndlela kwasekuqaleni. Thatha amathuba ulicebe ixesha enizakudibana ngalo nonke nabelane, nidlale kwaye nazane. Cacisa ukuba eyona njongo yokudibana rhoqo ngeveki kukuba nibe nexesha lokufunda ngoThixo naseLizwini Lakhe. Ukuba baye bathabatheka ngentetho ngoko ke ungathi kubo, “Kulungile, lixesha lokuba sibuyele ekufundeni ngoThixo nase Lizwini Lakhe, ngoko ke masibuyele kwisifundo.”

Qaphela: Ezinye ingxoxo zinenzuzo ungade ungafuni ukudlula kuzo. Xa lonto isenzeka, lindela nayiphi na imeko. Khetha indawo eyiyo ukuze uvale isifundo kwangexesha. Kwi veki elandelayo uyakuthatha apho ushiye khona okanye uye kwisifundo esitsha.

6. Ongayekiyo Ukuthetha

“Ngenene ndiyamthanda uDanielle, kodwa uthetha oko angayeki. Abanye abafazi bayazama ukuthetha uDanielle uyabaphazamisa. Kufana nomdlalo we-ping pong, bathetha okuthile naye afune ukuthetha. Uyalongamela iqela. Nokuba kukanye ndingathanda ukubona nabanye abafazi bethetha ngaphandle kokuphazanyiswa.”

Yijongise imibuzo kwamanye amalungu eqela: “Masive kwabo abangakafumani ixesha lokuthetha.”

Ukujonga umntu emehlweni kuyabakhuthaza ukuze abantu bakwazi ukuthetha, hlala ecaleni komntu othanda ukuthetha iyawacutha amathuba wokuba umntu ajongwe emehlweni.

Ukuba kusekho ingxaki cela oyena uthethayo akuncede ukuba akhuthaze abathulileyo bathethe okanye umcele bucala ukuba angaphenduli kwakamsimnya. Akukho namnye ofuna ukuqala intetho kodwa ukuba uvumela imeko embi iqhubeke ungayiqwalaselanga, iyakuthi ivise ubuhlungu kuwo wonke amalungu eqela.

7. Ilungu Elithuleyo

“Ngalo lonke ixesha xa ndikunye no Tracy, nguye othethayo kodwa ngena naye eqeleni kunzima ukuthetha nento le.”

Buza imibuzo engqalileyo engekho-mngciphekweni ukuze kumntu oneentloni kube lula ukuphendula. Umzekelo, “Tracy ndinomdla ukuva ezakho iingcinga. Zithini ezakho iingcinga kule nto sigqiba kuthetha ngayo?”

Hlala apho uzokwazi ukubona wonke umntu kunye nabo bangathandiyo ukuthetha.

Nika ukukhuthaza xa abantu abanentloni bephendula uyakube ukhuthaza ukuthi bakwazi ukuphinda baphendule.

8. Ophuma Ecaleni

“Andazi ukuba benza njani, ngoba siqale ukuthetha ngomthandazo ngaphambi koko besithetha ngendibano zasebusuku ebisikuzo kwizikolo zemfundo ephakamileyo. Aba bantu babonakala okwabantu abanesibabalo sokwazi ukuphuma ecaleni.”

Zama ukuba usebenzise ubuchwepheshe ubonise imo eyamkelekileyo.

Sebenzisa umbuzo olungileyo ukubuyisela ingxoxo kwindawo elungileyo.

Thetha into ethi “Sibonakala sinika umdla esisihloko, kodwa sijonge kwi _____ namhlanje, masithethe ngayo. Ukuba siye sanalo ixesha ekugqibeleni singabuyela kwesi sihloko.”

Njengoko ufumana amava uyakufunda ukuba leliphi ixesha elililo lokubuyisela iqela emxholweni.

Ngokuqhulayo ungathi, “Xa sithetha ngesisihloko (Isihloko sangalomhla) ...” xa bemphume kakhulu kwesisihloko.

9. Ukungaboni Ngasonye Neengxabano

“Aba bafazi babini abangqinelani nganto nye, nokuba kukutya okanye ngeVangeli esixelela ngebali elipheleleyo likaYesu. Bangabulalana ekupheleni kwesifundo.”

Musa ukuvumela ukungaboni ngasonye kunothuse. Ngelinye ixesha kunganceda xa nifunda.

Xa abantu ababini bengangqinelani ngomba othile kungayinzuzo ukuthetha ngezimvo zaba babini. Yenza ukuba amalungu eqela acinge kwaye ukhuthaze ukuhlanguana. Thetha into ethi: “Kulungile. Ithetha into yokuba nobabini niyacinga. Masijonge kwizimvo zenu nobabini sibone ukuba singayisombulula ngokweBhayibhile.”

Qaphela: Ukuba kulithuba elihle ukuthetha ngezimvo ezingangqinelaniyo ixhomekeke kwisihloko. Umzekelo, ukuba abantu ababini baqala ukuxoxa kwiqonga leParty yepolitiki awungekhe ufune ukuzubandakanya ngokuba ayingekhe ikuncede ekuthini ufunde ngeLizwi likaThixo. Kwelinye icala ukuba abantu ababini abangqinelani ngento ethile nokuba ngu Eka Yakobi 2 nabaseRoma 3 zithetha ukuphikisana, ziqhube zombini ngenxa yenzuzo yeqela elo.

Ukuba ukungangqinelani kwenu kuyaqhubeka kwaye anifuni ukuyiveza eqeleni, thetha into efana nale, “Ningaqhubeka ngengxoxo emva kwesifundo seBhayibhile. Masijongeni ngoku kwisifundo sethu sanamhlanje.”

Ukuba ungaboni ngasonye yindaba yomntu ngamnye ngamanye amaxesha kulungile ukuba nihambele phambili. Ungathetha uthi, “Ndingca ukuba sonke sinezimvo zethu,” uqhubeke ngesifundo.

Ukuba amabini kwiqela bayaqhubeka ngengxabano kufuneka nithethe ngayo. Khumbula ingxaki ayivele imke okanye ingabikho.

10. Inkokheli Yiyo Kuphela Ephendula Imibuzo

“Amalungu eqela asoloko ebuza ukuba ndicinga ntoni na. Ndiye ndibone sendibaxelela kwaye ndiva ingathi ndim othethayo ixesha elininzi.”

Endaweni yokuba ubaxelele impendulo bancedise ekufumaneni impendulo ngokwabo. Sebenzisa imibuzo ukubanceda ukuthi bangaphumi emxholweni. Nazi iindlela zokuphendula xa umntu ekubuza ufuna ukuba bayiphendule:

Dlulisa umbuzo komnye welungu leqela.” Judy zeziphi izinto uPawulos azithethayo ngothando kwesicatshulwa?”

Wubuyisele umbuzo kulo mntu ebewubuza: “Ngumbuzo omhle lo, Steve ucinga ntoni wena?”

Wuthatbathe lombuzo uwujongise kwiqela lonke: “Ngumbuzo olungileyo lo. Nicinga ntoni nina nonke ngalo mbuzo?”

ISIPHELO

Ungazicutha iingxaki zeqela elincinane ngokuthi ulungiselele ngendlela eyiyo. Hlala usazi ukuba yintoni isidingo samalungu eqela elo, lonto iyakuqinisekisa ukuba iingxoxo zingqamene nomxholo kwaye ziyakuba luncedo ukuba bakwazi ukuphendula.

Funda ukubuza imibuzo elungileyo usebenzise izixhobo zokufunda ubandakanya iqela ngokupheleleyo. Funda ukuthemba uThixo ngemigudu yakho yonke. Xa ungumntu okwaziyo ukudlala isoloko ikunceda - kwinto ezakuvela. Xa ixesha lihamba uzakubanako ukubalisa amabali abalulekileyo kwizinto ezenzekayo kumaqela owawuwakhokele.

IINGCINGA / IINGXOXO

Loluphi olona loyiko lukhulu unalo ngokubhekisele kwinto enokuthi yenzeke xa ukhokele iqela? Ungathetha ngayo ngoku. Yeyiphi indlela elungileyo yokuyisombulula xa inokuthi ivele? Ungazisombulula njani ezi meko zilandelayo:

- Ugqiba ukubuza umbuzo ocinga ukuba uhlakaniphile, kodwa ufumanise ukuba abawuvanga futhi awuqondekanga? Bakujonge emehlweni bengazi ukuba bazakuthini xa bekuphendula.
- Omnye womama eqeleni uthi ufuna ukubukela isiqendu esithile esikhethethekileyo kumabonakude ngexesha leqela kwiveki ezayo. Wonke umntu ubonakala engqinelana naye.
- Umntu eqeleni uqalise ngamandla esithi ukuba awukholelwa “kwihlabathi elitsha” nembali yendalo awunguye umKrestu. Bonke abanye basemngciphekweni.
- Ufundisa ngoxolwelaniso omnye womama uqalisa ukulila.

ISIFUNDO ESIDLULILEYO

Kulungile, uye wajonga kwesi sicutshulwa sonke kwaye ingxaki yakho ayikho kuzo. Mhlawumbi omnye usoloko efika emva kwexesha okanye abantu abaphumeleli nokuba ubakhumbuze amaxesha amaninzi. Okanye emva kweveki ezimbalwa ufikelele kwisigqibo sokuba awukwazi ukuqhubeka. Xa ungazi ukuba yintoni na ongayenza, thandaza. Cela uThixo akunike ubulumko adibanise iqela lakho ngothando. Thandaza ucele adale umdla kubo baqhubeke bekhula.

Kunokuba lixesha elihle lokufumana impendulo kwabo bakwiqela lakho. Ungabuza kumfundisi wakho okanye umcebisi wakho akucebise. Ungenza umzekelo wokuzivavanya ongayisebenzisa ukufumana iziphumo kwiqela lakho apha ngezantsi. Nantoni na eyenzekayo musa ukuxhala. Naliphi na iqela eliphemeleleyo linazo ezalo ingxaki xa kunengxoxo.

UMZEKELO WOKUVAVANYWA KWEQELA ELINCINANE

Uvavanyo olunje lungenziwa embindini wezifundo kuzokwenziwa izilungiso ezibhaqiweyo kwezizi fundo. Imfutshane, ingenziwa nokuba iqela liqhubekeka ngesifundo.

- Ndijongela phambili ukuza kweli qela lincinane: Ewe/Hayi/Ngamanye amaxesha. Ngoba?
- Ndiyazuza kweli xesha: Ewe/Hayi/ Ngamanye amaxesha. Umzekelo:
- Ndingwenela ukuba singenza oku landelayo:
- Ndiziva ndiyinxalenye yengxoxo ngexesha leqela: Ewe/Hayi/Namanye amaxesha. Ngoba?
- Ezinye imbono okanye amacebiso?

I-APHENDIKS B**ABAFAZI BELIXESHA BACHUKUNYISWA NGUYESU**

Ulsaya 61:1-3 uthi:

“UMoya weNkosi u Yehova uphezu kwam; ngenxa yokuba u Yehova endithambisele ukuba ndishumayeze abalulamileyo iindaba ezilungileyo. Undithume ukubopha abantliziyo zibophekileyo, ukumemeza inkululeko kwabathinjiweyo, ukuvulwa kwamehlo kwabakhonxiweyo, ukumemeza umnyaka wetarhu lika Yehova, nomhla wempindezelo yoThixo wethu: ukuthuthuzela bonke abanesijwili; ukubamisela abanesijwili baseZiyon, ukubanika isihombo sentloko esikhundleni sothuthu, ioli yemihlali esikhundleni sesijwili, ingubo yendumiso esikhundleni somoya odambayo; ukubizwa kwabo kuthiwe, yimitherebhinti yobulungisa, isityalo sika Yehova sokuhomba.”

Eli candelo lithwele amabali angabantu abhalwe ngabafazi abanjengam nawe, ababafazi bahlala kwilizwe lamaxesha angoku abachukunyiswe, batshintshwa nguYesu. La mabali angasetyenziswa ukuze inkokeli ibenako ukulihlanganisa iqela layo. Ezinye iingcebiso ungafunda ngokukhwaza xa nikunye, mhlawumbi phambi kokuba uvale ngomthandazo. Okunye kukwenza iikopi wenzele umama ngamnye ukuze afunde ekhaya. Ungathabatha isigqibo sokuba yenziwe kanjani lonto.

IBALI LOKUQALA:

“NKOSI, INGABA UYANDIBONA NA?”

Abamelwane bafumana umntakwethu kunye nam sisodwa endlini kwiveki ezimbini emva kokuqhawulwa umtshato ngumama wethu, owayebotshwe ziziyobisi esilahlile. Ndandineminyaka emine. “Nkosi ingaba uyandibona na?”

Utata wethu wenza konke okusemandleni ukuba asikhathalele, ekwenza konke eyedwa, emva konyaka umama wabuyela ebomini bethu. Ngeempela veki xa simhambele, iqabane lakhe elitsha lalindihlukumeza ngesondo. Ndandophukile kwaye ndiyintombazana eminyaka mihlanu eyonzakeleyo. “Nkosi ingaba uyandibona na?”

Utata wabuya watshata kwakhona xa ndineminyaka esibhozo. Ekugqibeleni ubomi bam bagcwaliswa luthando kodwa amathemba ayephelile xa umama wethu omtsha kwafumaniseka ukuba akaphilanga ngokwaneleyo engqondweni endihlukumeza enyameni nasemoyeni ngangeminyaka emine yonke. Emva kokuqhawulwo mtshato ukuhlukunyezwa zange kuphele, umntakwethu watshintsha wangumhlukumezi wam. Ndazibona ndingongabonakaliyo yintlungu. “Nkosi ingaba uyandibona na?”

Izihlobo zandimemela enkonzweni xa ndiminyaka eyi -13 ndahlangana noYesu ndamamkela entliziyweni nasebomini bam. Ngala mzuzu ndaziva ndithandwa kwaye ndikhuselekile ndisekhaya. Kodwa ikhaya lam lasenyameni alizange litshintshe lwaza utshaba lwaqhubeka lutyala intandabuzo. “Awulufanelanga uthando lukaThixo.” “Ucekisiwe kwaye umdaka.” “Uyinto engento kuThixo.” Ndabukholelwa bonke obo buxoki ndandibuxelelwa ngumthyoli. “Nkosi ingaba uyandibona na?”

Ukwenza intlungu ingavakali kwabayimpilo yam: ngotywala, neziyobisi nantoni na ukuvala ubuhlungu. Okumangalisayo, akukho owayesazi. Ndayifihla intlungu ngempumelelo ebonwayo: ngempumelelo, onobuhle, ndikumanqanaba aphezulu,

ndinenkwenkwe eyaziwayo esikolweni endincuma nayo. Ndandikwazi ukuyifihla iminyaka yonxunguphalo. “Nkosi ingaba uyandibona na?”

Xa ndandineminyaka eyi-16 ndandingasafuni kuphila. Intlungu yayihleli kum isenza kubebhulungu nokuphefumla. Ndabhalela utata ileta, ndatya ndagcwalisa umlomo ipilisi ndalala phantsi kumandlalo wam. Ndalila ndijonge phezulu. “Nkosi ingaba uyandibona na?”

Ndingamlindelanga utata, wafika phambi kwethuba evela entlanganisweni wandifumana. Kwintsuku ezimbini ezilandelayo ndavuka esibhedlele. Ndandisaphila kodwa intlungu engaphakathi kwam yayingaphelanga. Isimilo sam sasingekho selulawulweni olululo, ubunxila nokutya iziyobisi kuye kunyukela. “Nkosi ingaba uyandibona na?”

Emva kokuba imali yesibonelelo yasedyunivesithi inxunyanyisiwe ngenxa yomonzakalo edolweni ndingumdanisi, yayingekho enye indawo yokubalekela ngoko ke ndamkela isimemo sikamama sokuba ndihlale naye. Kwesi simo, kwiminyaka eyi-18 ndafumana into ebendikade ndiyinqwenela - uthando, olungelulo olukamama, luvela endodeni. Wayeshishina ngeziyobisi, kwaye wayesakuba libanjwa, wandithanda ngenqindi nangesimilo sokuhlukumeza. Emva kokuqhawula apho ngeempahla ezazisemzimbeni kuphela kwangoko ndafumanisa ukuba ndikhulelwe. Ukukhupha eso sisisu yabasesona sisombululo endandinaso, kunyaka olandelayo ndasenza eso sigqibo kwakhona. “Nkosi ingaba uyandibona na?”

Ndabetha ngamandla kwiliwa emva kobusuku bokunxila ndangxashela kumpu endawunikwayo ukuze ndizikhusele. Ndawunyusela kwitempile yam, ndeva isandla sinditsala emagxeni, kodwa ndisazi ukuba ndindodwa kulo ndawo. Ndaqonda ukuba sisandla sikaThixo ndabona ukuba ndingadubula okanye ndingawubeka phantsi umpu ndibambe isandla Sakhe. Xa umpu usiwa ndabeka ithemba kuYesu. Wandibamba wandiphakamisa wandanga. Emva kokucela uxolo wathi, “Bendikulindle. Wamkelekile ekhaya ntomb’am.”

Kwimiceli mngeni nembandezelo ndihambe kunye noMsindisi wam. Ngezinye iintsuku bendiziva ndibuyela emva, ngezinye ndisiya phambili kodwa ndiyaqhubeka nohambo lwam noYesu, undinike umsebenzi wokusebenzisana nabantu ngothando Lwakhe nangethemba.

IBALI LESIBINI: “YESU, INGABA UYAKUNDIKHULULA NA?”

Ingxolo eyenziwa ngamatsheyini namakhamandela xa etsala ibanjwa lisiya kwindlu yowiso mthetho iyoyikisa. Njengokuba ndandingomnye wabavavanyi betyala lebanjwa ndafunyanwa kukoyika xa ndandikhumbula awam amatsheyini. Ndandisebenzisa iziyobisi kodwa uYesu Krestu wawasusa amatsheyinini wandikhulula.

Ubukhoboka bam baqala ngokuhlukunyezwa xa ndandineminyaka emine. Iminyaka emininzi yalandelwa kukuzikhethela ukuba libanjwa okwakuzaliswe sisono sokubaleka kuThixo endandicinga ukuba akandithandi. Nangona ndandinabazali abangamaKrestu, ndandigcwele kukuxinana kwengqondo nentlungu yokuhlukunyezwa ngesono

ngaphakathi kwam yada yaqala ukuba neziphumo ebomini bam. Ndeva ukuba kukhona okungekühle okwenzekayo ebomini bam. Ngexesha ndandimamkela uYesu ndineminyaka eyi-13 ndandisazi ukuba ndiyamdinga. Ndeva ngathi umthwalo wothuliwe emagxeni am namakhamandela asusiwe.

Kusenjalo, xa ndandilityenjana, ndaqalisa ukungalawuleki ndizikhoboza ngokwam. Ndandizimisele ukungalawuleki ndinomsindo kuThixo ndisithi, “Andikudingi! Libala ngawe!” Xa ndandizisusa kuye ndaya ebunnyameni besono ebobimi bam. Amakhamandela aqalisa ukuqina ngakumbi, kodwa uThixo khange andishiye.

Ekugqibeleni ndatshata nendoda emangalisayo kodwa kwiminyaka yokuqala kwakubuhlungu kwaye njengoko ingqwabalala sisiza nemithwalo emitshatweni yethu. Ubunzima phakathi kwam nomye wosapho lwam olutsha labangela ubuhlobo obophukileyo njengoko ndandifungile ukuba andisokuze ndixolele, ndizibandakanya nobunye ubukhoboka.

Xa ndandikhulelwe umntwana wam wokuqala, ndandibuhlungu kuba umntwana wam uyakuba nomama ongenaxolelwano. Ndaguqa ngamadolo ndalila kuThixo ndicela ukuba andincele waye weza ebukhobokeni bam, esebenzisa ilizwi lakhe ukuze andiphilise, andihlangule andikhulule. Xa ndandiqalisa ukufunda ilizwi lakhe ndaqonda ukuba ndidinga ukuxolelwa kubomi besono ebendibuphila. Ndabunikela kwakhona ubomi bam kuKrestu ndilangazelela ukumazi ngakumbi, kodwa phambi koko kwafuneka azityhile ngakumbi kum, wathi mandixolele ilungu losapho lwam elalindivise ubuhlungu ngokunzulu. Indlela eyayinzima ngayo, kodwa uThixo wenza ndakwazi ukuxolela, waqalisa ukuvula imithombo yobabalo lwakhe ebomini bam.

Iminyaka eyi-27 nditsho nabazali bam babengazi ngobomi bam bobuntwana bokuphatheka kakubi kwaye lonto yayindiphethe kakubi okwesifo somhlaza. UThixo wayefuna ukuyisusa le dyokhwe, abuyisele yonke iminyaka ebuhlungu eyatyiswa ngamadiya ebomini bam. Wakwenza oko. Noxa ukugqithela kuhlukumezo kweza nobunzima kakhulu ebomini bam, wayekunye nam, endikhulula kubomi bokuzikhoboza iminyaka emininzi yangaphambili.

Xa ndandifunda ilizwi likaThixo, ndabona into endingazange ndiyibone ebomini bam...ithemba. Ilizwi likaThixo landinika ithemba lobomi obungcono, ubomi benkululeko. Ngamanye amaxesha ndandizibuza, “Ingaba uThixo anganako ukundikhulula?” Ndiyifumene impendulo kumaGalati 5:1, “Yimani ngoko enkululekweni, athe uKristu wasikhululela kuyo; nize ningabuyi nibanjwe yidyokhwe yobukhoboka.” Wathabatha amatsheyini wawalahlela ngaphesheya kokuba impuma ikude nasentshona. UYesu Krestu wathatha ubomi bam obabungenabuhle wenza into entle kwaye andisaweve amatsheyini ayokisayo.

IBALI LESITHATHU:

“YESU INGABA UNGANDIPHILISA NA?”

“Kutheni ufuna ukuhlala emtshatweni nomfazi oyimfama? Ufanelwe kokungcono, kwaye ndifuna ukufa.” Ezo ngcinga zazingandilalisi ebusuku. Isifo esinganyangekiyo

saphanga ukubona kwam seba namaphupha ethu sazisa isigqubuthelo sokunxongophala kulo nto yayingumtshato owawukhazimla ngamaphupha namathemba.

Kodwa kiminyaka eyi-31 xa ingqwithelo engalindelekanga ifika, yenza amehlo am abe mfiliba. Ndanditshiseka. Ndandisoloko ndihamba kwiingcaphephe, amagqirha, nakwi-acupuncturist nakunyango lwe-new age ndisebenzisa nee-vitamin kodwa khange ndincedeke ndandiye ndiphelelwa lithemba.

Ngenye intsasa yobusika, eyona nto ndandiyoyika yenzeka. Ndavuka, ndicinga ukuba akukabi yintsasa. Ndazama ukubamba umyeni wam owayelele ecaleni kwam kodwa xa ndimjonga zange ndibone nto. Ilanga lalibonakala efestileni, kodwa ubumfama bandityhalela kwintolongo emnyama.

Ndandilangazelela ukubona kwakhona, ndibone oonyana bam ebusweni kwakhona. Ndanditshiseka ndifuna impendulo, nakubani na naphina na, iingcinga zam zazingasuki apho. Kuthe, kumzamo wam wokugqibela, ndamkela isimemo sokuhambela inkonzo yamaKrestu. Ubukrakra, umsindo kunye nentlungu zaguqula intliziyo yam yabanda oku kwesitulo sentsimbi endandihleli kuso. Kuthe ndisakhala njalo, ivesi yakrazula entliziyo yam, “Funani tanci ubukumkani bukaThixo nobulungisa bakhe, zaye zonke izinto ziya kongezelelwa kuni.” (UMateyu 6:33)

Ndaphefumla ndicinga intsingiselo yayo. Ndandifuna ukubona kwakhona ngayo yonke into elapha kum. Kodwa uThixo wayendifundisa into eyahlukileyo. Ndifune yena? Ndifune ubulungisa bakhe? Ndandingazi ukuba ndingayenza njani, ngoko ke ndambuza wayalatha indlela. Ilizwi lakhe ndalivumela libe sentliziyweni yam ndimamela iziBhalo kumakhaseti kanomathotholo.

Ngobuyatha ndandikhala ngoba ubomi bomntu owayebona babuphelile, amathemba etshabalele amaphupha ephelile, kodwa wandisusa kubukrakra wandisa ebuhleni bothando lwakhe.

Umhlolokazi waseNayin wayenentlungu ngokuphulukana nonyana wakhe kodwa uThixo wamvusa ekufeni. Wenza oko nalapha kum. Wandinika imbono entsha, walibuyisa ithemba lam, kwaye wanika ubomi obuqhamileyo kwintsuku zam.

Xa iingcinga zokungazithembi, zokuphila ndiyimfama kwilizwe elisebenza ngokubona zikhula, iLizwi lakhe lalindithuzela, “KeUThixo wam wokwenzelela konke ukuswela kwenungobutyebi bakhe, ngozuko olukuKristu Yesu.” (KwabaseFilipi 4:19)

Uzakuzazizalisekisa iintswelo zam? Lo mbono wawunzima ukuwucinga. Iintswelo zam zazininzi-ukufuna umntu ozakundiqhubela andise kwindawo, athabathe oonyana bam kwindawo abaya kuzo ezininzi, abancedise ngomsebenzi wesikolo, abajonge kwisimilo sabo, apheke kwaye acoce indlu. Yaye uThixo wathi, “... zonke intswelo zakho...” Ngoko ke ndamthobela ndimbulela ngakwenzileyo ngale mini ndambulela kwakhona azakukwenza kwikusasa lam. Ndancamathela kuye ngako konke okwam. Imisebenzi efana nokupheka, ukucoca, ukuhlamba impahla kwakuthatha ixesha elide ukuzenza kodwa ndindulungile. Ndafunda ukuzenza zonke ezozinto. Ndafunda ukwenza konke hayi ngamandla am kodwa ngokwesithembiso ethuzela intliziyo yam eyayikhathazekile. Wandisebezela esithi, “Lonke ixhala lenu liphoseni phezu kwakhe, ngokuba yena enikhathalele.” (1 KaPetros5:7)

Undikhathalele? Kwimeko ekhethekileyo kwisimo selizwe endandikulo. Wakwenza oko. Wandikhathalela; ndandingathandabuzi. Ekuzoleni kobusuku, ndandiye ndicinge ngokuhamba ndiye elizweni - ndifune umsebenzi. Wayimamela imibuzo yam, waziva iingcinga zam. Ngapha koko, wayekwazi endikufunayo ngaphambi kokuba ndizazi mna. Wandigcwalisa ngokuzithemba wandinika umsebenzi wokuba ndibe ngumtoliki we-Spanish. Ngenkcukacha ezinokucaciswa nguye kuphela. Wandisa kwimpumelelo kwikamva awayendixhongxele lona.

Xa ndandibona ngokwasenyameni ndandiyimfama ekulungeni kwakhe. Xa ndaphulukana nokubona wandinika ukholo ukuze ndibone ukuthembakala Kwakhe.

IBALI LESINE:**“YESU, INGABA UNGANDANELISA NA?”**

“Uza ngenyawo kuqala!” wakhwaza ugqirha, umama ezama ukuzisa lowo owesibini owayezakwenza ukuba ibe ngabantwana abathandathu xa bephelele kwelilizwe. Xa ndandikhula, ndandikuthanda ukudlala nosapho. Kwakumnandi ukuba khona kunye nabantakwethu abane abandwebileyo. Ubomi bam babugwele zizihlobo, imidlalo, ezoyolo, inkonzo nokufumana amaqondo alungileyo. Kodwa ngaphakathi, ndandifuna ngakumbi.

Imibuzo yayigwele entlokweni yam: “Yintoni injongo yobomi bam?”, “Kutheni ndilapha?” Xa ndandiqhubeka ukuzibuza lemibuzo, ndazama kangoko ndinako ukuyifihla ekwaziweni nakwizihlobo - ndandide ndikhethwe njengeyona ntombi ilungileyo esikolweni. Njengoko ndandiqhubeka nezinto endandizenza, ndade ndazibandakanya nakwiinkolo ezingalungaga, yayingekho into egwalisa ubomi bam obuze.

Ngobunye ubusuku xa ndandilungiselela isithebe sesidlo sikaTata neNtombi, ndazijonga kwakanye esipilini. Ilokhwe entle endandiyinxibile yayincinci kwindlela endandiyinqwenela indilingane ngayo, kodwa oko kuxhalaba ndakubeka ecaleni ngoba yayibubusuku obukhethekileyo. Xa ndandihamba ndisihla, utata wandijonga wathi “Ingathi uyatyeba,” Amazwi akhe ayixhela intliziyo yam; ndandilangazelela ukumkholisa, kodwa ngoku ndandiziva ingathi andingafikeleli kwizinto awayezilindele kum, nakwezam. Utshintsho emzimbeni wam nokutyeba kwakuzalisile ingqondo yam. Ukugqibelela endandikuzame nzima ukuba ndikuphumeze kwakutshabalala phambi kwam.

Impoxeko endaba nayo xa umfana endandincuma naye wayeka ukunditsalela umnxeba wabonakalisa umdla kwisihlobo sam. Ndandifuna into engandenza ndizive ngcono, ndavula ibhokisi le-cookies nganye nganye ndazomisa inyembezi zam ndayitya ndayigqiba. Ukonela kwaphela xa ndicinga ngokutyeba endandizakufumana, ndakhumbula amazwi esihlobo sam, “Zigulise, awuzukutyeba.” Ndingayiqondi imo yonxunguphalo endandingene kuyo, i-bulimia ne- anorexia zaqala ngobo busuku.

Usizi neentloni zongeza ebuhlungwini bentliziyo endandinayo. Ndacela uThixo andincede; ndacela isisombululo kodwa kwabangathi akeva. Ndaziva ingathi ndimphoxile uThixo, ndazama ukuba ndizenzele isisombululo ngokwam, akukhathaliseki indlela endandizama nzima ngayo, ndandicinezelekile kwisimbo esibi endandisenza.

Ndandinethemba lokuba nesiqalo esitsha, ndaya kwidyunivesithi. Ndifihle i-addiction, ndajoyina i-society eyandenza ukuba ndijonge kulonwabo notywala. Indlela yokutya engeyiyo yabano lawulo ebomini ndandilila ndide ndilale, ndikhathazwa kukuzenza ngathi ndonwabile imini yonke.

Ngenye icawe, ndazifumana ndisecaweni ndinebhabhalaza. Ndineentloni ezimangalisayo, uThixo wandisebezela endlebeni, “Nancy ingaba uyandazi mna?” Ndavuma, “Hayi, ndazi konke ngawe, kodwa andinabudlelwane nawe.” Ndamxelela uThixo andinakuphinda ndibuyele ecaweni engakhange andibonise indlela yokuba ndimazi, ndingazi ngaye nje kuphela.

Xa sasinomhlangano kwindawo endihlala kuyo edyunisithi xana uphela, isihlobo sandixelela ukuba uThixo undithanda ngukungazenzisiyo kwaye akudingi ukuba ndimenze andindithande! Okokuqala ndakuqonda ukundamkela kwakhe nakubeni eyam imigudu ingazange iphumelele. UThixo wandithanda kangangokuba waye zimisele ukubhatala ixabiso ngenxa yam- esifa endaweni yam – wandithenga ndayintombi ekuphela kwayo kuye. Nangona ndingazange ndifumane yonke into kodwa ndayazi ukuba ibikukulila kwentliziyo yam. Andizange ngaphambili ndilufonde olu thando lungazenzisiyo! Ngenyembezi zisehla ebusweni, ndathandaza ndimema uYesu ukuba angene empilweni yam, axolele izono zam kwaye andenze lo mntu ebendidalele ukuba ndibe nguye.

Emva kokwamkela uxolelaniso nobabalo ndalindela inkululeko ekhawulezileyo kwi-addiction yam. Kodwa iziqhelo, imbophelelo nezimilo bezincamathele kwimeko endizenzele ngokwam nobuxoki endabukholelayo. Obo buxoki kwakufaneleke ukuba butyhilwe, buchaswe bususwe ngenyaniso kaThixo eseLizwini. Ndandisebenzisa ukutya ukuba imizwa ingavakali, nokuzo zonke ingxaki zobomi ndandizigquma ngezinto endandizenza, impumelelo yangaphandle nomzimba omhle. Kodwa ke, iingxaki zokwenyani ebomini zaziqhubeka ngaphantsi kwindawo engabonakaliyo.

Indlela ojonga ngayo, owenza ngayo ukuze wamkeleke ibiyinto endikholelwa kuyo. Ezi nkolo neengcinga kwakufuneka zibuyiseleke ngexesha nangenyaniso yokuba uThixo ujonga enzintliziyweni zethu, hayi inkangeleko yangaphandle. Xa ubuxoki bufika engqondweni, ndafunda ukwazi ukuzibona ndizisuse ndibeke inyaniso entsha evela kuThixo. Ndafunda ukubona isiqu sam esipilini esiseLizwini likaThixo hayi isipili sehlabathi.

Olu hambo luya enkululekweni belungekho lula kodwa bendizibophelele eLizwini Lakhe. Njengokuba uhambo lwam luqhubeka imfuno yokunceda abanye bafumane inkululeko yakhula. Njengoko injongo kaThixo nobomi bam ityhileka, undithume kwihlabathi lonke njengomama oyendwa ndabelane nabanye ngothando lwakhe olumangalisayo. KumaGalati 5:1 ithi, “Yimani ngoko enkululekweni, athe uKristu wasikhululela kuyo.”
