

Much of the world is still waiting to hear about Jesus.

You can help change that.

At Jesus Film Project®, we believe everyone, everywhere should have access to the story of Jesus in their language and in a way that's easy to understand. That's why in 1979 we created the *JESUS* film—which has been translated into more than 2,000 languages and counting!

Today, we're about more than just one film.

We're constantly innovating to help take the story of Jesus to the ends of the earth—even remote places where encountering the gospel is difficult, through innovative resources like:

- Full-length films and short films
- Digital tools, apps, portable equipment
- Ministry strategies, outreach guides and more.

Ready to make a difference?

Each one of us can play a vital role—big or small—in telling everyone about Jesus and helping fulfill the Great Commission.
