

Nearly

75%

of the world's
unreached population
lives in 12 countries.

That's a whopping 3.6 billion people who don't
yet know Christ. You can help change that.

Reach the Least Reached

"'Ask me, and I will make the nations your inheritance, the ends of the earth your possession.'"

— Psalm 2:8, New International Version

Billions of people have no access to the gospel in their own language or a church within walking distance. They have no one to tell them about Jesus. They are the world's least reached.

Leaning on God, we've placed our sights on reaching *everyone, everywhere*, with a special focus on the areas of the world that have the least access to the gospel.

You can help make a difference today.
