### **Monday: Languages and Scripts**

Pray for ongoing translations of *JESUS* and related media, so that people can encounter Christ in the language of their heart. Ask God to open doors for new translations to reach those who have never heard, especially in Africa and Asia.

### **Tuesday: Teams and Equipment**

Dedicated teams across the globe need training, resources and equipment. Pray for projectors, tablets and other digital tools to be provided. Ask God to strengthen and protect these teams as they bring the good news into hard-to-reach places like the Middle East.

### **Wednesday: Digital Evangelism**

The online world is crowded, yet it's also a mission field. Pray for digital evangelism efforts on social media, apps and streaming platforms. Ask God to guide seekers who are searching the internet for the hope of Jesus. Pray for follow-up of those who respond.

### **Thursday: Broadcasting to the Nations**

During Easter and International Children's Day, the gospel is broadcast into homes. Pray that families watching would encounter the risen Christ. Ask God to give broadcasters wisdom and creativity to reach both children and adults in powerful ways.

### **Friday: Partnerships**

No single ministry can work to fulfill the Great Commission alone. Pray for fruitful partnerships between Jesus Film Project®, churches and other missional organizations. Ask God to multiply impact as we work side by side, fueled by unity and love.

### **Saturday: World Cup Outreach**

During the World Cup, the world gathers around soccer. What an exceptional opportunity for ministry! Pray for creative outreach that connects fans to the story of Jesus—through media and other avenues. Ask that hearts would be drawn to the true Champion who gives eternal life.

### **Sunday: Strengthening Churches**

Local churches are the heartbeat of lasting transformation. Pray for believers gathering worldwide—that they would be encouraged, equipped and emboldened in sharing their faith. Ask God to raise up new churches in places where none exist and to strengthen pastors and leaders so they can shepherd their people well.
