

Pray With Us

July-December 2026

"Let us draw near with a true heart in full assurance of faith, with our hearts sprinkled clean from an evil conscience and our bodies washed with pure water."

—Hebrews 10:22, English Standard Version

Monday: The Gift of Understanding

Many have never heard about God's love for them in their heart language. Pray for ongoing translations of *JESUS* and related media so they can encounter Christ. In 2026, we're aiming to complete an additional 84 languages. Ask God to open doors for new translations to reach those who have never heard.

Tuesday: Spreading the Good News

Dedicated teams across the globe need training, resources and equipment. Pray for God to provide projectors, tablets and other digital tools. Ask God to strengthen and protect these teams as they bring the good news into hard-to-reach places like the Middle East.

Wednesday: Finding Hope in a Digital World

The online world is a crowded yet vital mission field. Ask God to guide seekers, especially students, who are searching the internet for the hope of Jesus and pray for local believers to follow up with those who respond. Pray for more laborers online as they are a vital need.

Thursday: Broadcasting to the Nations

At Christmas, we broadcast our gospel films into homes around the world. Pray for families to watch and want to know Jesus. Pray for local Christians to reach new believers and disciple them.

Friday: Partnerships

No single ministry can fulfill the Great Commission alone. Pray for fruitful partnerships between Jesus Film Project®, churches and other missional organizations. Ask God to multiply impact as we work side by side with partners like Global Church Movements and Cru®, reaching its 75 anniversary this year!

Saturday: Pray for Seekers

Every day believers are sharing the gospel by hosting film showings, sharing the Jesus Film Project app and creating digital journeys on our NextSteps platform. Pray many would discover the story of Jesus through these tools. Ask God to draw them near to Him as they take their next steps in faith.

Sunday: Strengthening Churches

Local churches are the heartbeat of lasting transformation. Pray for local believers to be encouraged, equipped and emboldened in sharing their faith as they gather. Ask God to raise up new churches in places where none exist and to strengthen pastors and leaders.
