

# Pray with us

July - December 2022

*“Ask of Me, and I will surely give  
the nations as Your inheritance,  
and the very ends of the earth as  
Your possession.”*

**Psalm 2:8, New American Standard Bible  
(NASB 1995)**

**Monday:** Heart Language Evangelism

Praise God the *JESUS* film is available in more than 1,950 languages. Pray that each one will be used to touch hearts with the truth and love of Jesus, reaching people in their first language.

**Tuesday:** Leveraging Partnerships for Greater Impact

Praise God for the 1,800 ministries we are privileged to partner with across the globe. Pray for God to lead us to new partners in hard-to-reach places and that we would resource our current partners well.

**Wednesday:** Equipment Distribution to Fast-Track Church Planting

Praise God for the newly opened Africa distribution center, which will reduce costs and enable us to respond faster with ministry equipment. Pray for the two centers planned for other regions. Pray the South Asia distribution center opens by the end of 2022.

**Thursday:** Reaching Hearts Through Broadcast Media

Praise God for television and radio broadcasts during Easter. May the Lord continue to use them to draw people to Himself. Pray for Christmas showings on the radio, on television, on social media, in homes and in churches. Ask the Lord to prepare and open hearts to receive His truth and love during Christmas.

**Friday:** Accelerating Impact Through Training

Pray for more training materials created for believers to pair with Jesus Film Project® evangelism and follow-up tools. Pray for effective training that leads to the multiplication of believers, leaders and churches.

**Saturday-Sunday:** For the Gospel to Reach Every People
